

Sangamo Electric To Lease Hospital Building At Camp

The Sangamo Electric Co., with its parent office at Leaside, Ont., is leasing the hospital building at the Newmarket military camp effective August 15. While details as to rent are not yet settled, Councillor Joseph Vale, chairman of the industrial committee of council which undertook the negotiations, reported to the Newmarket town council Tuesday night that the lease would run for three years and would include an option for renewal and an option to buy.

JOB TOO MUCH, URGES HIRING OF ENGINEER

Councillor Joseph Vale gave notice of a motion to authorize the employment by Newmarket of a full-time graduate civil engineer at the meeting of the Newmarket town council in the council chambers over the fire-hall Tuesday evening.

"I am appalled at the amount of time we, as councillors, must spend on detail work," said Mr. Vale in introducing his notice of motion. The motion will be brought before the town council at its next meeting. "I am going to move that the chairman of the water, property, and roads and bridges committees be authorized to hire an engineer on a full-time basis to take over the work of supervision of details which is taking far too much of the councillors' time, more than there is any right to expect."

"The truth of the matter is that Newmarket is becoming too large to be governed as it is by voluntary effort," said Mayor Dr. L. W. Dales. "It is a question whether we should have a town manager, a full time mayor and council or some other arrangement. It is definitely becoming too much of a job for men with their own businesses to look after."

'Sewage Dumped At Door' Landing Resident Protests

C. B. Thompson, Holland Landing, appeared before the Newmarket town council Tuesday night to ask that the council take action to halt the flow of sewage from the town into the Holland River.

"The people in Holland Landing are in the position of next door neighbors and it is not neighborly to dump your sewage at our doorstep," said Mr. Thompson. "There is considerable expansion in Holland Landing and increasing use of the river for swimming."

"Some 25 years ago, \$25,000 was raised by debentures to improve the sewage disposal of Newmarket but that money was used by another council in a different way. All that I am asking is that Newmarket continue what was started to improve the sewage control."

"Tests were made on the river some years ago this side of Holland Landing and there was no sign of pollution," said Mayor Dr. L. W. Dales. "That was some years ago," replied Mr. Thompson. "Newmarket has grown considerably since then. All that I am asking is that Newmarket take steps to improve its sewage disposal and to stop dumping sewage into the stream."

"To clean up that stream would mean starting at Aurora," said Mayor Dales. "It is a large project, too large for Newmarket to undertake alone. Financial assistance would be needed from province and dominion."

Purchase Lot To Improve Corner Water, Prospect

A resolution was passed in the Newmarket town council Tuesday night authorizing the purchase of the lot at the south-west corner of Prospect and Water Sts. from Miss Kathleen Widdifield for \$500.

The resolution was passed following a report of Deputy-Reeve J. L. Spillite on negotiations with Miss Widdifield.

FEW QUALIFY FOR VET HOMES IN NEWMARKET

Up to last week, only five veterans had met the Veterans' Land Act terms and were qualified to buy one of the eight houses being built in the subdivision at the east end of Queen St. Newmarket.

M. M. Harvie, speaking on behalf of the district superintendent of the Veterans' Land Act, said that enquiries received from the Newmarket district have not been nearly so frequent as those received from veterans in other areas.

To qualify for one of the Veterans' Land Act homes such as have been built in Newmarket, the veteran must first satisfy the land act administrators that he will be able to finance it. The qualification involves a personal interview and provision of references as to employment, character, and financial standing.

The houses are allotted to qualified veterans on a basis of service, with first choice being granted to veterans who have served in a combat zone, second choice to veterans who have served outside the western hemisphere but not in actual combat areas, and the third choice to veterans who served in the western hemisphere only.

The veteran's individual priority rating among others in the same group is based on the date he originally applied for qualification as a small holding operator.

Applications for qualification as a small holding operator may be had from the Toronto office of the Veterans' Land Act at 465 Bay St. Information can also be had from Gordon Downward, veterans' officer at the Newmarket employment office on Main St.

NO QUORUM, B. OF H. MEETING POSTPONED

The regular monthly meeting of the Newmarket board of health, called for 10 a.m. Tuesday morning, was postponed at 10:25 a.m. when only the chairman, Dr. J. Gordon Cook, the medical officer of health, Dr. J. H. Wesley, and the clerk, Wesley Brooks, appeared. Without a quorum, the meeting was unable to proceed.

INTERNATIONAL WOOD NAMES NEW MANAGER

Hugh K. Jackson, Toronto, has been appointed general manager of International Wood Products Ltd. to fill the vacancy created by the recent resignation of A. R. Howlett. Mr. Jackson is an accountant with wide business experience and for the past several years has been associated with the Robert Simpson Co. Ltd. in the Toronto store stock taking department.

A married man, Mr. Jackson has one daughter. At present, he is commuting between Toronto and Newmarket but plans to build his own home here. His hobby is woodworking.

Car Crashes Guard Rail, Discovered By Officer

A car owned by Gordon B. Balfour, Toronto, crashed through the guard rails at the foot of Nicol's Hill on Yonge St. early Sunday morning, doing considerable damage to the car.

The car was discovered by Traffic Officer William Melbourne as he went north to investigate another accident, and was removed to Stout's Garage, Aurora. It is understood the driver secured medical attention and a taxi at Newmarket, proceeding north to his cottage at Woodland Beach at Lake Simcoe. Officer Melbourne is investigating.

The following pupils of Miss Elizabeth Leck, Mount Albert, were successful in passing the Toronto Conservatory of Music piano examinations:

Grade 1: Helen Harman, Eleanor Rate;

Grade 2: Marguerite Green (H.), Louise Moorehead (H.), Muriel Walker (H.), Margaret Rose;

Grade 4: Mary Law;

Grade 5: Joan Mainprize, Eric Jones;

Grade 6: Edwin Clelland.

Fire Destroys Barn

The barn and most of its contents was completely destroyed by fire Thursday morning on the farm of Seymour Andrews on Second St. near the railway tracks in North Gwillimbury. Mr. Andrews said he had no idea what caused the fire. "I had been in the barn just a half hour before and had left it to go to the fields," said Mr. Andrews. "I was in the fields when I first saw the fire."

Fourteen little pigs and two spring calves died in the fire.

One calf was saved. The heavy cattle were in the fields at the time of the fire. Also destroyed in the fire were 20 tons of hay, some oats, a wagon bought last year, as well as harness and implements. The barn was wooden on a concrete block foundation. Mr. Andrews has farmed there for 26 years.

The Newmarket fire brigade answered the call but the quickly spreading flames had destroyed the upper-works of the barn by the time they arrived.

ADULTS TO GET SWIM LESSONS AT GLENVILLE

Several young men and women met Monday evening in the council chambers to form a swimming club for Newmarket and district. An executive of pres. Beverley Bartholomew, treasurer, Jacqueline Skinner, press secretary, Marjorie Ballie, was elected. E. R. Mather, recreation co-ordinator, will act as instructor. As the membership of the club grows, more instructors will be made available.

The instruction will be given at Glenville pond one or two nights a week, the exact evenings to be decided on at a later date and, if possible, to fall on evenings that will not conflict with activities in Newmarket. An hour's instruction will be given. Members will pay \$2 for the first four trips to Glenville pond and back by taxi, groups of five travelling in each car. There is no charge for instruction.

Any persons interested in taking advanced swimming lessons are asked to contact the president, Beverley Bartholomew, by phoning 120 or 66r evenings, or any member of the executive.

The club will make its first trip on Friday evening. All wishing to come along are asked to be at the King George Hotel by 5:30 p.m. and be prepared to pay their membership fee. Those providing their own transportation may attend free of charge.

Many Perennials Displayed At Hort. Society Show

There was a large display of delphiniums, sweet peas, daisies and lilies at the perennial show of the Newmarket Horticultural Society on Saturday in the United church Sunday-school rooms.

In the lily and the delphinium class, Mrs. Charles Harman's entries won the sweepstake prizes. Prize for the best basket of delphinium was won by H. V. Hugo.

AUCTION AT CAMP

Furniture and equipment at the Newmarket military camp will be sold by auction July 24 and 25 at the camp. The articles will be on view on the afternoon of July 23 from 2 p.m. to 5 p.m. Ward Price Ltd. are the auctioneers.

BROTHER DIES

Mrs. George Case attended the funeral of her brother, Mr. Archibald Summery in Harrowsmith, Ont., last week. Her sister, Miss Laura Summery, returned to Newmarket with her.

HOME FROM HOSPITAL

Frank Taylor returned home from York County hospital last Wednesday after being there for a month.

MARGARET HAYES IS ILL

Little Margaret E. Hayes, who will be married to bed for some time, is progressing favorably.

ARRIVES HOME

LAC Don Smith, son of Mr. and Mrs. Stan Smith, Newmarket, arrived in Halifax on Monday morning on the Georgian and was met in Toronto yesterday. LAC Smith will be at home to his friends at Don's Bowling Alleys at the north end on Thursday evening (tonight). The alleys have been leased by LAC Smith and when he is discharged from the services will begin his duties as manager.

L. Cpl. Jack Peppiatt, son of Mr. and Mrs. Arthur Peppiatt, Newmarket, also arrived on the Georgian this week and was met in Toronto yesterday. L. Cpl. Peppiatt has been overseas a little over a year, before which he trained at Brantford and Camp Borden.

Rfmn. J. M. Roberts, also of Newmarket, is another serviceman to return on the Georgian this week.

AUG. 5 HOLIDAY

The Newmarket town council Tuesday night passed a resolution making Monday, Aug. 5, a civic holiday.

MAIN ST. FOUNTAIN DRY BECAUSE OF BREAK

"I have an enquiry," said Councillor Jos. Vale when that part of the Newmarket town council program was reached at the regular meeting Tuesday night. "I would like to know why the fountain opposite the post office is not supplying water?"

"Your question brings up a larger issue," said Mayor Dr. L. W. Dales. "A search for new water supplies will have to be undertaken in the very near future. I think that under those circumstances, we can forget the fountain."

"A part of the fountain was broken last summer and so far we have not been able to get a replacement," replied Arthur D. Evans, chairman of the water committee, answered Mr. Vale.

RECEIVES CHEQUE

A cheque for \$50 was sent to Miss Irene Parks, employee at the town office, as a gift on the occasion of her wedding to W. Wesley Niles in Toronto Tuesday. Accompanying the gift was a resolution expressing best wishes of the mayor and members of the town council. Miss Parks has been an employee of the town since she left high school.

ESCAPE FIRE

Fred. A. Lundy received word Wednesday that his wife and daughter, Audrey, who were holidaying at Ferndale House on Lake Rosseau in Muskoka, safely escaped from the fire that destroyed the building early Wednesday. Mr. Lundy said that many of Audrey's friends lost all their belongings in the fire. "It was certainly a relief to hear from them," he said Wednesday morning.

WED 25 YEARS

Mr. and Mrs. R. B. Green marked their 25th wedding anniversary on Thursday, July 11.

Every Wednesday—Dancing in Mount Albert Hall to Norm Burling and his King's Men from 9 to 12:30 p.m. Admission 25c to 40c. t19

The Newmarket fire brigade was called out Monday evening to fight a grass fire on the slope at the rear of the property of Mr. and Mrs. Rudy Renzius on Prospect Ave.

Newmarket To Pay \$34,790 For Camp As Bargain Closed

"The offer of the town of Newmarket for the Newmarket military camp was accepted by the War Assets Corporation and all that is required now is the final signing of the agreement between town and government," Councillor Joseph Vale reported to the Newmarket town council meeting Tuesday night in the council chambers over the firehall. "The whole camp property, buildings and land, is ours for \$34,790."

77 ENROLLED IN VACATION BIBLE CLASS

Seventy-seven children are enrolled in the daily vacation Bible school operated under the sponsorship of the Newmarket Ministerial Association and presided over by Rev. L. James Lake, pastor of the Gospel Tabernacle. The school opened Monday in the basement of the Christian church.

Interdenominational, the school opens at 9:30 a.m. with a short devotional service followed by Bible teaching. The latter part of the morning is spent in handicrafts and work with a Bible story bringing the morning to a close. The age level of the children varies from three years to 14.

Assisting in the program are representatives of Newmarket churches including Mrs. Gordon Billing, Mrs. Woodhouse, Mrs. Bill Andrews, Mrs. Charles Cumber, Mrs. Norman Park, Mrs. Ruth Hilton, Mrs. Herbert Moore, Mrs. Milton Wallace, Miss Clara Crowder, Miss Eloise Miller, Rev. L. R. Coupland, Miss Lillian Jessup, Toronto, and Miss Kathleen Miller, registered.

"I don't think the town fully realizes the bargain we have in the camp," said Mayor Dr. L. W. Dales in commenting on the agreement. "Not only do we acquire industrial and recreation facilities in the shape of some of the larger buildings on the property, but we also acquire land and material for providing additional houses for Newmarket. I think the industrial committee and other members of council who participated in the negotiations deserve a lot of credit."

'Underpaid' Council Gives Commission Better Pay

A by-law was passed by the Newmarket town council Tuesday night setting the salaries for the members of the Newmarket hydro-electric commission at \$250 a year for the chairman and \$150 each for the remaining two members. Fred S. Thompson is chairman of the local commission and Wm. Dunn and Mayor Dr. L. W. Dales are the other members.

Speaking on the by-law, N. L. Mathews, K.C., town solicitor, said that he had enquired of the Ontario Hydro-Electric Commission as to its policy on salaries on local commissions and had been informed that the scale incorporated in the Newmarket by-law was acceptable.

"How does it conform with other towns?" asked Councillor Frank Bowser. "How about Aurora?"

"No salaries are paid to the Aurora commissioners," replied Reeve Arthur D. Evans.

"Admittedly the members of the commission do not do as much work as the councillors but because we are grossly underpaid it is no reason that those under our jurisdiction should face the same handicap," said Councillor Joseph Vale.

Newmarket town councillors, including Reeve and deputy-reeve, are paid \$5 a meeting up to a \$25 a year, and the mayor is paid \$300 a year.

Cook Leads Stouffville To 6-3 Win Over Juniors

By GEORGE HASKETT

Earl Cook, "the pride of Lemoville" and erstwhile Toronto Maple Leaf hurler, moved into town on Tuesday evening with the Stouffville intermediate ball club to humble the Newmarket juniors 6-3 in an exhibition encounter at the Stuart Scott school grounds. Cookie showed plenty of stuff and had the situation well in hand. Tommy Dales doing the hurling for the Redmen chalked up nine strikeouts and pitched a good game.

"The locals moved into a three-to-one lead going into the fourth, putting over a lone courier in the second as Bill "Hot Shot" Johnson crossed the plate on Ken Thom's perfectly placed infield hit. In the third Jim Rutledge led off with a single, followed with a walk to Harry Hill, both runners scoring as the Stouffville infield committed two errors. Cook then proceeded to set down the Redmen in order in the fourth, fifth and sixth as the last seven batsmen to face him went down swinging.

Stouffville achieved their victory with two runs in the fourth and a three-run spurge in their turn in the sixth. Ken Lushaway and Earl Cook lead the hitting attack.

Line-up: Newmarket, Stan Winger, Tom Dales, Ivan Gibson, Red Palmateer, Jim Rutledge, Ken Thom, Don Brown, Harry Hill, Bill Johnston, Gar Elphinstone, Bob Walker, Laurie Cotton.

LEAGUE STANDING

The following is the league standing in the junior series of the North York Lions league:

	W	L	Pts
Milliken	8	1	16
Newmarket	5	3	10
Aurora	5	4	10
Stouffville	4	6	8
Richmond Hill	3	7	6
Markham	2	6	4

Future games: July 18, Milliken at Newmarket; July 18, Aurora at Markham; July 22, Markham at Newmarket.

Stouffville juniors clinched fourth place in the league standing on Tuesday night when they defeated Richmond Hill 6-4. The score was tied four-all going into the last innings with Stouffville pushing over two runs in their half to cop the verdict. At Aurora, Bill Hallaway's juniors defeated Markham 6-2 to move right up on the heels of Newmarket Redmen who are holding down the second place slot in the league. It will be Milliken, Newmarket, Aurora and Stouffville in the league play-offs which get underway next week. The draw for the play-offs will find the league leading team meeting the third place team, the second place team hooking up with the fourth place team in a two out of three game series in each case.

SWIMMING POOL AS SAFETY MEASURE

The Newmarket Community Recreation Council is paying an estimated \$1,200 this year to provide six weeks of swimming instruction for Newmarket grade school children at Lake Wilcox.

A swimming pool combining dressing room facilities and of a size suitable for Newmarket, can be built at present construction costs for \$15,000. This price was estimated on a fairly elaborate pool and it is reasonable to assume that the pool alone, with the minimum of fixtures, could be built for an estimated \$10,000.

It would appear that the recreation council is wasting public money by spending it on trips to Lake Wilcox. The most each child can expect to have is an hour a week of swimming instruction. It would perhaps be better to lay that amount aside as a start on a building fund for a pool.

The latter would be a reasonable course except for one thing: the children being taught to swim can't wait until a pool is built. Less than ten percent of the pupils at Newmarket high school could swim when polled a few years ago. In a province that has so many lakes and streams as Ontario, that low percentage is the reason for the high death toll from drowning each summer.

If one child is saved from drowning because of instruction given through the recreation council at Lake Wilcox, \$1,200 is little enough to have spent.

Until a swimming pool is built in Newmarket, \$1,200 is going to have to be spent each summer to instruct children to swim, or else death by drowning is a risk that must be faced by over 90 percent of Newmarket and district children.

The value of a swimming pool in Newmarket as a means of recreation is obvious. Just as obvious but far more pressing is the need of a swimming pool for the instruction of children. Here is a community project that demands full support and immediate action.

CBC MOVES TO TAKE OVER WAVE-LENGTHS

The Canadian Broadcasting Corporation has announced that it intends to take over the wave-lengths of three independent stations, one of them, station CFRB in Toronto. The corporation says that it will give the three stations new wave-lengths.

If the Canadian Broadcasting Corporation is allowed to carry out this intention, it will cause a serious business loss to the three independent stations. In the case of CFRB, that station has been broadcasting on its present wave-length since 1941. It has spent large sums of money making the position of its wave-length on radio dials familiar to its audience. If forced to take a new wave-length, it must spend further sums re-establishing its new position among its audience. At the same time, it will suffer loss of advertising revenue because of the loss of its listeners.

The Canadian Broadcasting Corporation claims that the wave-length on which CFRB is broadcasting was "loaned" to the station and was subject to change. In answer to this, Mr. Lloyd Moore, manager of CFRB, points out that the station received its present wave-length following the Havana conference in 1941 when radio wave-lengths were distributed among nations, and that there is nothing on record to indicate that CFRB's wave-length was "loaned."

Even if this were not so, the announced intention of the Canadian Broadcasting Corporation to take over the wave-length of a private radio station must be questioned as an extremely arbitrary action by a government agency, one which is further aggravated by the fact that the independent station has no non-partisan agency to which it can appeal.

The intimations contained in the announcement of the Canadian Broadcasting Corporation's impending action are of utmost importance to Canadian citizens. If the Canadian Broadcasting Corporation is allowed to take over the CFRB wave-length, what guarantee have private stations that other wave-lengths will not be taken over? Permitting such an action opens the way to censorship by the Canadian Broadcasting Corporation of independent broadcasting, in other words, the censorship of free speech.

Recent developments in broadcasting have shown the way to transcribing written news from the broadcasting station to individual radio receivers. If the Canadian Broadcasting Corporation is allowed to set the precedent of taking over the wave-lengths of the three independent stations, it extends its potential censorship over free speech to include a free press.

While not a state monopoly in that it shares the broadcasting field with independent stations, the Canadian Broadcasting Corporation has many of its advantages. It does not pay taxes, for example, and its annual deficit is paid by the people of Canada. More important, since it is a government agency, it can become a tool of the political party in power. The Canadian Broadcasting Corporation, as long as it maintains its present favored position, is the potential means of control by the political party in power of an important medium of the free expression of opinion.

It can be argued that the Canadian Broadcasting Corporation fulfills an important function in Canadian life by presenting public service broadcasts which independent stations must ignore for reasons of profit and loss. In view of the foregoing, however, such services are not worth the present disadvantages of government control nor the liberties which it enables over independent

The independent broadcasters last week presented briefs calling for the limitation of Canadian Broadcasting Corporation control over independent stations. Included in the briefs were arguments for providing of a non-partisan board of appeal to which the Canadian Broadcasting Corporation as well as the independent stations would apply in the settlement of issues such as taking over wave-lengths. As it is, the independent stations can only appeal to the government agency which is responsible for the Canadian Broadcasting Corporation.

DOLLAR PARITY WON'T HURT TOURIST TRADE

Although, with most of our readers, we admit ignorance of all the wide-spread implications of dollar parity between United States and Canada, we cannot see that the Canadian tourist trade is going to suffer as some critics have indicated. It is said that the end of the payment of the extra ten cents on the American dollar will put a damper on American spending in Canada.

Newmarket and Aurora cash in on a fair amount of American tourist spending during the summer, and to the Lake Simcoe area, American tourist money is so much gold in "them two hills." If what the critics say is true, the two towns and the Lake Simcoe area are going to suffer a loss. Fortunately, the critics miss a trick on what the end of the office of price administration did to American prices.

A friend of ours, who was in the United States when the O.P.A. came to its end, tells us that prices in the United States are sky-high compared to Canadian prices which are high enough at that. Rents are going up like a thermometer on a hot day. Food costs more, butter has gone as high as \$1 a pound. Spending in Canada will be like spending at a bargain counter for American tourists, even if their dollar is now worth only 100 Canadian cents.

Take hamburgers for example. In the United States, our friend tells us, the hamburgers he had during a trip from Detroit to Minnesota cost him 20 cents each. The price in this district is ten cents. The difference in the cost of the tourist's favorite snack alone makes up for the loss dollar parity may have cost him.

Dollar parity is not going to mean any loss in tourist revenue to Canada, not as long as Canadian price controls are effective. If the Canadian price ceilings are lifted, there will be no time to worry about the tourist trade. We will all be too busy reaching parity between our incomes and the cost of living.

What Others Think WE ARE MILES BEHIND IN EDUCATION

(The Canadian Statesman, Bowmanville)
With each succeeding provincial government in the province of Ontario, we creep forward, generally in a groping attempt to formulate some kind of a modern educational system. Frankly we are of the opinion that the present government, headed by Hon. Geo. A. Drew, himself both premier and minister of education, has gone much farther in the sphere of primary education than all his predecessors. Drew, quite in accord with his pre-election promises in this matter, has fulfilled his undertakings. He is a strong man at the head of a strong government. His critics have nothing to offer in the realm of education. They attack from a different angle.

But what we set out to say in this editorial is that we have a long way to go before we arrive at the point where the pupils of this province, both in public and high school, can step out into the world fortified in most respects to meet the conditions in this rapidly changing world. So far as we see the situation, both in war and peace, in this very important sphere, we are away behind the times. In our opinion every child should know the way about. Parents are reluctant to impart acquired knowledge. Teachers, likewise have no responsibility under their curricula.

So out in the world go class after class of uninformed, wonder-eyed, emotionally untrained young people who see the world as a great expanse to be explored. Far too many fall into difficulties and even shame as it is accepted by ultra-moralists. And it is not their fault. It is our fault; we who have clutched to our bosom for so many years an outmoded, complacent, skeptical system of inhibitions. So we are inclined to agree and to promote a new, modern idea of education set forth by Edwin C. Guillet in his recent submission to the Royal Commission of Education. Too few will read what he has to say. And it is very unfortunate, for public opinion is the thing that makes for change. From grade eight on, everything in human experience ought to be told.

DOMESTIC HEATING (The Tribune, Stouffville)

Faced with an unprecedented shortage of fuel many Canadian authorities who should be taking some action have been debating costs and ways and means while the nation is on the threshold of a shivering winter. Apart from the current coal strikes, it may be said that coal as a means of domestic heating will shortly be a thing of the past. Within the last ten years oil has replaced coal in a large number of homes. But oil is not the ultimate answer because the supply is limited. What future developments of atomic energy may be used to solve the heating problem is not at all known. Then there is electricity. For some obscure reason, many authorities keep insisting that it would be too expensive and altogether impractical. True the present supply is woefully inadequate but potential electric power developments are limitless.

On the word of a very brilliant engineer, The Times-Gazette of Oshawa is told that even at present rates, hydro heating of a well-insulated home is possible. And, as the war demonstrated, cost is no object in a national emergency.

A few years before the war, Ontario was said to be saddled with more power than it could possibly use. That picture changed overnight. If the coal situation is as bad as we have been led to believe, many folks will turn to the electric heater to help out in mild weather. There is plenty of evidence that hydro heating is practical though possibly expensive. Costly heat is better than no heat at all.

Copy Cats and Tattle Tales

There's no need to be concerned about Tommy, the little three-year-old "copy cat", not developing a personality of his own. Assure yourself and your concerned neighbors that he is developing one by noting his conversation and his actions when big five-year-old brother Johnny isn't on hand with his more advanced ideas.

(You certainly handled the "copy cat", "tattle tale" incident very nicely, Mrs. H.) Johnny was complaining because the older boys were calling Tommy a copy cat. Johnny said he told the kids he would tell his mother Tommy was a copy cat—then they started to call him, Johnny, a tattle tale. Johnny, closely followed by Tommy, went inside to mother who said she liked copy cats and tattle tales because copy cats were smart and tattle tales were truthful. Johnny and Tommy were satisfied and went outside to face the gang. After that, they smiled proudly at the names copy cat and tattle tale which the gang consequently soon stopped using.

Since early learning is simply a matter of imitation, we are glad Tommy is smart enough to copy his older brother. Tommy has a real head start over the only child who has to learn everything the hard way, alone.

We hope that Johnny will continue to confide in his mother and we have every reason to believe he will as long as she continues to use such good reasoning in helping him solve his problems.

Nine-year-old Dick and three-year-old Billy are brothers who enjoy playing together despite the difference in their ages. Dick has always supplied his full share of ideas among playmates his own age. However, he can supply all the ideas for Billy's activities so he prefers Billy's company to that of his own age group.

Billy is the only pre-school child in the block so he plays alone in the mornings and sleeps in the afternoon during school hours. Billy is delighted to be allowed the privilege of playing with older brother, Dick, and very willingly does as Dick bosses.

This arrangement, now so satisfying to both brothers, isn't very healthy when analyzed. Each boy should have playmates in his own age group. Dick used to take his turn as leader in the gang; but now, if he can't be leader, he seeks Billy's company. The gang finds it can get along very nicely without Dick, who is fast losing his popularity as a member of the gang. When the brothers are playing together, Dick does all the bossing and talking and Billy just does as directed without using his own thoughts or speech. Billy's environment gives him no incentive for speech, which is greatly retarded as a result.

The mother is going to do something about the situation even though it is the most peaceful year she has had with her family. Instead of letting Billy sleep all afternoon, she intends to take him for a walk after he has rested an hour. Billy will meet some children in the next block and his personality will do the rest. Among playmates his own age, Billy will have a real need of speech. When Dick comes home from school, he won't have a Billy to boss so it's reasonable to predict that he will make himself congenial with his own gang again.

UNION STREET

The members and friends of Union Street Women's Institute enjoyed a picnic at Springwater Park, Midhurst, on Tuesday, July 9. A bus was chartered for the occasion, and on the return trip a stop-over was made at Barrie where all the ladies attended the theatre.

Mr. and Mrs. Irvine Rose and family visited Mr. and Mrs. Allan Crocker, Shelbourne, recently.

Mr. Percy James, Mrs. Lillian Johnston and Mrs. Gertrude Stallbrass attended the Orange walk at Bradford last Friday.

Miss Violet Micks and Mrs. E. Gibson visited their cousin, Mrs. George Dunn, and Mr. Dunn, at Barrie recently.

Master Michael Murphy, Newmarket, spent Saturday with Master Murray Sedore.

Mr. and Mrs. Gordon Beckett, King, and Mr. Alfred Beckett, Bogartown, were Sunday guests at the home of Mr. and Mrs. Wilburn Beckett.

Messrs. Percy and Arthur James and Mrs. L. Johnston and Elmer spent Sunday with Mr. and Mrs. Bert Leadbetter, Newmarket.

OTTAWA LETTER by "Jack" Smith, M.P. North York

Prime Minister King will leave soon to attend the peace conference at Paris on July 29. Mr. King has said he does not like the thought of leaving before the session ends but the importance of this conference gives him no choice in the matter. World affairs are in a troubled state and the hope of enduring peace is in a peace conference at which the nations of the world can get together in the true spirit of brotherhood and understanding.

The debate on the budget continues here and main criticism of opposition is that more economies should be effected to reduce expenditures. Unfortunately, much of the criticism is of a very general nature and is not as effective as if it were more specific. It is a wasteful pastime to deplore expenditures without being definite.

There has been some complaint of the move to tax co-operatives, but in the main, the change will receive pretty general support. This has been a contentious question since the early 30's, and the budget proposals are pretty well the same as the recommendations of the Royal Commission appointed to investigate the whole question. The Isley proposals are not in any way aimed at discouraging co-operatives! They merely try

to bring a measure of equality to the taxation of business. It was a difficult problem but the general feeling here is that once again Mr. Isley has dealt with a difficult situation in an able manner.

Prime Minister Mackenzie King this week said that Canada intends to retain her price, rent and rationing controls regardless of the United States' action of abandoning similar war-imposed regulations in that country.

The finance minister announced this week that the department is taking steps to have the copper-colored five-cent pieces withdrawn from circulation. It will take some time to do this as the actual withdrawal will have to be made by the chartered banks. It is hoped, however, that these coins which are so easily confused with coppers, will be out of circulation in the near future.

Revenue from radio receiving licenses in Canada last year amounted to \$4,260,379.14. Cost of collection, including commissions and enforcement, amounted to about 12 percent. The number of licenses issued was 1,754,351. The province of Ontario accounted for 607,968. The number issued in Aurora last year was 581, in Newmarket 1,292. The figures for smaller municipalities are not yet available.

THE COMMON ROUND IMAGINATION — BLESSING OR CURSE?

In the hours between two and four in the morning, I know of no greater curse, for then one can see behind the curtain of closed eyes, all the sin and sorrow and suffering of the world. My imagination never concerns itself with the detective stories I read as a nightcap—if so, it would be roaming through deserted houses, stalking stealthy criminals in quite normal surroundings, hearing pistol shots and blood-curdling screams, or rescuing the hero and beautiful heroine from the machinations of the villain.

But no, it's of none of these things that my imagination takes charge, it is of the dreadful suffering, so rife in many countries. I saw a picture the other day in a magazine that is famous for its truthful delineation of facts, of a mother and child in Jugo Slavia. Hopeless, hunger and war were as plainly written even on the child's face as if they had been printed there in block letters. It is pitiful to see either of those things on any face, but in a child's, and that just emerging from babyhood, the effect is appalling.

I often remark on the youth and good looks of the mothers and babies around us, and on the streets of Newmarket and Aurora. The mother and baby in the picture were equally lovely, but despair and lack of hope had drawn all the lines too deep; hollowed the cheeks and shadowed the eyes beyond the point where health leaves off and starvation carves its hideous lines.

It affected me when I saw the picture, of course, but when it rose up before me in the middle of the night, it not only affected me, it accused me! And a picture gallery of all the youthful delinquents and criminals hung before my eyes; and a picture of the Jews in Poland, huddled together not knowing when the next blow would fall.

I seemed to see the Mohammedan and Hindus and the Chinese fighting civil wars, and then I seemed to see Canada stretching from sea to sea, beautiful, prosperous — a land of plenty — and I wondered, in spite of our great shipments of wheat and cereals to needy lands, if we, as individuals, realize that we need.

We, in the country and small towns, are so shut away from great need and great crimes, that it is hard for us to realize that people can starve or live in constant terror.

I suppose we lack education in world affairs. Some of us read a great deal and listen to all the news we can assimilate, but there are many who do not read a great deal, nor care for news casts, except for weather and local items.

We wrap ourselves in a sort of insulated unawareness of the tragedy of the world, and until home and school become more world conscious, this unawareness will continue, and as long as it continues there will not be the unanimous response to world need that will obey the Bible precept to "feed the hungry."

So in spite of the fact that imagination can, especially in a child, become a bit trying—as when he sees wonderful things that never were on land or sea and regales his astounded parents' ears therewith—it seems to me that only the ability to see with the inward eye, can save us all from selfishness and fit us

for world citizenship.

So even if we do lie awake and our imagination takes us on sad journeys, it is better than with no such pricks, to let the world go by, nor care for those who suffer. We still, as a nation and as individuals, have much to learn about "inasmuch."

GOSPEL ECHOES

THE ANSWER TO THE WORLD'S NEED

By Rev. John Heldenreich,
Visiting Minister at Christian
Church, Newmarket.

The most striking characteristic of the ordinary man is his helplessness. He fearfully watches the tide of world events sweep away his security. He feels that he is the helpless victim of circumstances over which he has no control. Inflation comes followed by depression. His savings are devaluated and soon exhausted; his employment is gone and his health broken. Ugly poverty lurks near. Another war threatens to come and drag him and his family, into unspeakable horror. All this has to be because men do not know that they have a Heavenly Father.

There is a way out of this kind of living and thinking. If you are a Christian and still find yourself stumbling around in fear and despair, it is time to rise up and claim the promise of your faith. Did not the Master say: "I come that you might have life and have it more abundantly?" If abundant life means anything it must mean freedom from worry, from fear, from every kind of poverty. If our Christian faith has not brought us this deliverance may we reverently ask: "Why hasn't it?" Can it be that the New Testament has grossly exaggerated the claims of the Christian faith? Or is it that we have ignored the claims of our faith and left them untended? A little homespun verse comes to mind:

Said the robin to the sparrow, "I should really like to know, why these anxious human beings rush about, and worry so." Said the sparrow to the robin, "Friend, I think that it must be, that they have no Heavenly Father such as cares for you and me."

No Heavenly Father! That is our real poverty. That is the basis of our real need. No matter how miserable the circumstances into which we are cast, it is possible for every one of us to have a quality of life that is victorious, joyful and at peace. Such a life can be brought within reach when we accept the fact that our security is in God.

How would you like to have a life set free from the haunting sense of failure, a life victorious over temptation and released from fears, a life with a new mastery over habits that have long defeated you? If this seems too ideal, let me remind you that this is exactly the kind of life Jesus promised to his followers. Such a life can be had by simply saying "yes" to God and meaning it with all our being, with our whole heart, soul and mind. When we can say yes to God without holding back anything we have found the storehouse for every need.

THOUGHTS FROM FRIENDS MEETINGS

By J. JAY WATSON

Some thoughts from the yearly meetings of the Religious Society of Friends at Pickering College, July 1:

"Our Father, show us, the way to brotherhood."

"Certainly I will be with thee, said Jehovah to Moses. Infinite love can do infinite things."

"A railroad bridge was being built in Scotland. When the rails were laid from each end they failed by an inch or more to meet in the middle. This seemed a puzzling problem until the sun shone on the iron rails, causing sufficient expansion to solve the problem. What man cannot do, God can do for us."

"We come to meeting sometimes physically tired and sometimes we come spiritually tired. We have to strengthen ourselves before we can strengthen others and it is from God that our strength comes."

"The way of the Quaker is still a pioneering way."

"If we take care of our heart, our actions will take care of themselves."

"Humility, love and service shall be the ministry of Friends."

"A Friend met a student at the town post office where greetings were exchanged. The student spoke of having that day finished a school examination. Her face lighted with expectation of the results while referring to the examination."

"As she turned and was walking down the post office steps, the Friend found himself thinking of the daily examination everyone is continuously writing. The actions of life are self-recording and they reflect the results of the unending examination through life."

ST. SWITHIN

By GOLDEN GLOW

Today, as I write, it is July 12, Orangemen's Day, so before this gets into print St. Swithin's Day will have come and gone. For it is next Monday, July 15. It is queer how these old traditions and superstitions cling to our daily life and are handed down from one generation to the next.

You know what I mean about it raining on St. Swithin's Day and how people watch the weather so anxiously on that poor old saint's day as if he were to blame if it rains!

You see, the old superstition has it that if it rains on St. Swithin's Day, it will rain every day for the next 40 days. The weather quite often about this time takes a decided turn from extreme heat (who ever heard of Orangemen's Day being anything but boiling hot, unless indeed we have terrific thunder storms!)

What was I saying, my mind carried me away to past July 12 when the heat was proverbial—oh yes, I was saying we often, at this time, have a wet spell after extreme heat and dryness, but why we blame good old St. Swithin, nobody knows.

Of course, there are legends to prove it, so these folks claim. But St. Swithin was a particularly good saint, beloved by the people, being of a humble mind and because he befriended them. He was also a friend of kings. To be brief he was bishop of Winchester and chancellor of the realm. He was also tutor to the kings. When King Alfred the Great went to Rome to be confirmed, he was accompanied by St. Swithin.

The old legend, if you do not know it already, has kept alive almost a thousand years. A company of monks decided to move his body in defiance of the good saint's last request that his remains should be interred where the feet of the poor would pass by and the rains of God would fall.

They did not deem such a burial in accordance with the affection and esteem in which he was held. So they were busy at work transferring his bones from the humble grave outside the cathedral to a golden shrine within it when there came a downpour of rain which, according to the legend, was so heavy and continuous that the monks had to give up. Day after day the rains continued, holding up the work.

Finally it dawned on the good monks that they were disobeying their leader's last will and request for a humble grave outside the cathedral walls, so they decided to leave his bones where they were.

Of course, the rain, about this time, decided to stop—so naturally, it was all due to the saint's satisfaction of having his wishes regarded and that was how all this belief in the 40 days' rain began, all from this incident at ancient Winchester cathedral.

W.C.T.U. NEWS

By Miss Leonora Starr, press
Secretary, Newmarket W.C.T.U.

Mrs. M. Boyd, director of the Travellers' Aid Society at the Union Station, Toronto, where six workers are on duty, reported that during the year accommodation was found for 431 travellers of all ages from small children to the grandmother of 90 who came from Winnipeg; also of all grades of society from the European refugees to the representative of the Chinese government. In one month assistance was given to 5,000 servicemen and 400 service women.

The society is financed by the W.C.T.U. and the Y.W.C.A. Judge V. L. Stewart of the Toronto family court was the guest speaker at the annual meeting recently. He emphasized counts were more concerned with the reason behind misdemeanors and social possibilities rather than the children's criminal acts. He thought most delinquents were in that class before they knew what had happened rather than premeditating their misconduct.

The court officers named three basic rights of all children—wholesome outlets for normal energy under proper direction, the right to belong somewhere, and to have something by which to live, like the example set by good living parents. The speaker compared the present "more understanding" laws affecting children to those in the early 1900's in England, which permitted a nine-year-old boy to be sentenced to a seven-year jail term for stealing three silk handkerchiefs. He called upon parents and other adults to offer the proper kind of leadership, to provide children with emotional security, a feeling of belonging, and keep family standards on a high plane.

"There will be no final solution to juvenile delinquency or adult crime, in spite of community centres, social workers, courts, clergymen or church activities, until adults respect and keep their own laws and the laws of God," Judge Stewart concluded.

DOWN THE CENTRE

By AB. HULSE

Down what comes naturally: Down at Connaught Park, Ottawa, George Cosford has his horses in action, and as yet they've failed to win one of the \$800 purses at Tommy Gorman's racing plant. The four-year-old Manohas finished fourth and sixth in two starts, with ten horses out each time, and the six-year-old Sand Star has run fifth and sixth in ten and 11 horse fields.

The horses have carried top weight in each race, not because of their racing ability, or the form chart, but because of their ages as against the rest of the field. George still has ten days to bring home a winner and we're all pulling for it to happen.

Woodbridge defeated Maple last week in the only scheduled North York lacrosse match. It was a bitter struggle, but Woodbridge had long passes working to perfection and continually got the ball out of their zone speedily, whereas Maple, in most cases, attempted to carry the rubber out their end. Passing is an easier way to gain ground than carrying as Maple found out.

Stan Foster, clever Maple centre player who played on the forward line for Vandorf Combines in the Aurora town hockey league, had a six-inch gash put in his noggins which required stitches. It was an accident though. Jack Blake fired one at Harry Rumble from close in, and Foster ran directly head-on into the stick, attempting to stop the play. The night previous, Woodbridge defeated Brampton intermediates of the Peel county circuit in an exhibition game to indicate the calibre of the local league.

Maple midgets defeated Woodbridge in their first start of the season 5-4. The kids put on a crowd-pleasing display and for youngsters showed plenty of savvy with the gutted stick. Tom Armitage, who attends Aurora high, played a nice game for Maple and was the biggest lad on the field.

Richmond Hill kids are all ready to play and have a pretty strong line-up under the direction of John Mabley, featuring some well-known kid athletes. Jim Barker is in goal, Mac Clement, one of the district's best all-round athletes (a star at every sport) and Phil Stewart, who has been playing intermediate lacrosse, comprise the defence. Up front are Norm Stunden, hockey netminder deluxe and southpaw hurler, Bill Neal, Jim Reycraft and Sonny Charles. Subs are: Stan Ransom, Red Gamble, Ralph Palmer, John Thibert and Sylvio Steffan (baseball kids), Bernie Waters, Jerry Paris, Doug Allen and others.

Aurora kids in recent weeks have not been turning out to practice as they should have been, pretty discouraging after practising faithfully so long. Now they have their chance to go to town, but the opposition is tough, and they'll have to bear down if they intend to go places.

In answer to several queries, so far as we're able to ascertain, that 42-7 score by Hamilton seniors over Orilla constitutes at least a modern lacrosse scoring record. If any of the old-timers remember differently we'd be glad to publish their recollections. George Masters netted 11 goals for Tigers on that occasion, but we recall that Lionel Conacher, "the big train" of Canadian sports, once went 12 goals in a single game. That might not be a record either, but lacrosse, unfortunately, unlike hockey and baseball, has had no permanent recorder of outstanding feats.

Ed Armstrong, formerly of Bradford, now on the Midland police force, is one of the players on the Midland intermediate lacrosse team which will be seen in action here shortly. Several of the better-known Midland hockey players like Duncan Brodeur, Wilcox, Swales, etc.,

are lacrosse players, too. Jack Johnston, ex-Aurora defence-man, presently with Nortonville in the Peel county league, has signed with Orangeville intermediates and is going mighty good.

According to the dope as we get it, regardless of the fact as to which team wins the North York softball circuit, Newmarket vets will represent the area in intermediate "B" O.A.S.A. playdowns, and Thornhill will carry the banner in the intermediate "C" section. They are said to be able to draw players from any of the other clubs (though we doubt if this will get by the softball solons, even though the league is not officially affiliated, we speak from past experience).

Any of the other clubs, including Aurora, can file separate entries, but they're not likely to do so; Aurora, because they need extra players to make a showing, Langstaff and Lansing because the spark-plugs of the teams are already performing in organized softball in other parts. Take Ernie Hughes, the smooth Willowdale shortstop. Ernie is bashing the ball at a mere .438 in the Wanless Park league, where he is playing for Canada Wire and Cable, and the pitchers aren't softies either.

Seemed like old times to see that old smoothie and feminine heart throb, Frank Michanuk, the Ukrainian thrush, back in Aurora a few days ago. "Mich," who played junior hockey for Aurora in the halcyon days of junior hockey, is more or less regarded as an Aurora boy. Aside from his puck-chasing, he was a dandy third sacker at softball. We picked him at third base in our first all-star team a few moons ago (more than we care to remember).

"Mich" is still going strong and holds down third base for Silverthorn Canadian Legion, which has one of the best legion teams in the province and is currently league leader in one of the Toronto all-legion leagues. Frank also is in action on the diamond in the Oakwood district softball circuit, and he would dearly have loved to take the field for Aurora the other night against Langstaff. In the R.C.A.F. for over four years he returned from overseas in January, but didn't play any hockey last winter, though this year he expects to play mercantile. He says Jimmy Cummings, ex-captain of Aurora juniors, and Gordy Brennan, "the bull moose" of Aurora Tigers defence in 1940, are both back in Toronto again, and will not return to Ottawa where they performed satisfactorily, if not cum laude, for Ottawa Trojans in the O.R.F.U. senior series. Both boys expect to turn out with their first love, the Oakwood Indians, who are ready to cut quite a caper this year with old Brian Timmis of Hamilton fame coaching them. Cummings is playing

"This year there's beauty
in our budget"

"Look at the difference in Gladys already," said the mother proudly. "She's just brimming with health."

"Yes, this year there's beauty in our budget," said Hugh. "Another six weeks of this will do wonders for you and the youngsters... and long week-ends here for me... it's swell!"

"But it's not really in the budget, Hugh."

"No. It's over and above the budget, certainly; but it's the budget that enables us to take this cottage without worrying. Once we've set aside our year-round expenses and our life insurance premiums, the rest is surplus. We can be extravagant with it. Until I had enough insurance to take care of the future I always felt a bit guilty about spending in the present. But now my mind is at ease. You and Tom and Gladys are protected. So long as we don't dip into what's needed for that, we don't need to worry any more."

When life insurance is properly taken care of in the family budget, present expenditures can be planned with a carefree mind. Future protection is of first importance. Once that is insured, the greatest source of worry is banished from every home.

Now you, wherever you are, if a neighbor in the life insurance business. Ask him for advice in planning your future. It is good citizenship to own life insurance.

MAGISTRATE'S COURT

**Motorists Fined For
Running-Board Riders**

Two youths, one from Oakville, the other from Toronto, elected to be tried by a higher court in magistrate's court in Newmarket on Friday, before Magistrate J. E. Pritchard. The youths are charged with breaking into Cousins Dairy, Aurora, with intent to steal, and stealing tools from the C.N.R. They were remanded one week in custody or on \$2,000 property bail and \$1,000 cash bail for the preliminary hearing in Newmarket court.

Fred Thompson, Pefferlaw, pleaded guilty to failing to produce an operator's license on a charge laid by Constable Wm. Foster, and was fined \$10 and costs or ten days.

Several charges of careless driving at Wilcox Lake were laid by Constable Heath Hamilton, who said in his evidence that the motorists charged all had one or more persons riding on the running boards of their cars. Conviction on such a charge under the Highway Traffic Act suspends the driver's and owner's licenses of accused. Carl Goodman, G. Davidson, Roy Burton and K. D. Hemstreet, all of Toronto, were each fined \$10 and costs. A charge against Steve Cwiack, also of Toronto, was dismissed.

Wm. Thompson pleaded not guilty to stealing auto parts from Goodman's Auto Wreckers. Magistrate Pritchard dismissed the charge as there was no evidence. Harry Goodman said that Thompson was not solely responsible, that others had taken parts also and he did not wish to press the charge.

Ross Caradonna, Newmarket, pleaded guilty to a charge of not having proper lights on his truck on a charge laid by Constable Earl Wrightman. He was fined \$5 and costs.

D. Fugger, Toronto, was fined \$5 and costs on a careless driving charge laid by Constable Wm. Melbourne.

George W. Oston, Toronto, pleaded not guilty to a careless driving charge laid by Constable Foster and sentence was suspended.

Roy Anderson of King township was remanded on bail for two weeks on a careless driving charge.

**NEWLYWEDS HONORED
AT SOCIAL GATHERING**

The Sunday-school picnic at Jackson's Point on Wednesday, July 10, was enjoyed by all.

A social gathering was held at the home of Mr. and Mrs. Elmer Stickwood on Friday evening, July 12, in honor of Mr. and Mrs. Thomas Stickwood, who were recently married. The happy couple were presented with a beautiful walnut tilt-top table and a leather hassock.

Mrs. Thornton Prosser visited her sister, Mrs. Angus Smith, for a few days last week.

Mrs. Arthur Greig visited in Toronto last week.

Byron Aylward has taken a practical step toward relieving the housing shortage by moving a house into the village and repairing it for early occupancy. The long unoccupied hotel building is being prepared by Bill Burkholder for tenancy, which will further contribute to the improvement of the community.

Mrs. Angus Smith and niece, Miss Florence Mainprize, are holidaying at Woodland Beach.

Mrs. McNeil of Charlottetown, P.E.I., is visiting her daughter, Mrs. Jack Kavanagh.

VANDORF

Miss Elsie van Nostrand and Miss Marion van Nostrand returned Friday from a motor trip through northern Ontario, including Cochrane, Kapuskasing and Kirkland Lake.

Wesley church vacation Bible school has been a real success. The public is cordially invited to attend the closing concert on Friday night. Rev. and Mrs. E. C. Middle and the other helpers deserve credit for such a worthwhile enterprise.

**KING
COUNCIL WILL PAY \$5
BOUNTY ON WOLVES**

King township council met at Sutton's hotel, Schomberg, on Monday, July 8.

Reeve L. B. Goodfellow was in the chair.

Accounts passed for payment included: Woodbridge and Vaughan Telephone Co., office phone, \$10.81; Bolton Telephone Co., office phone, \$9.08; H. G. Rose, registrations, \$2.75; J. H. Sutton, rent, meeting, \$5; treas., Nobleton Community hall, rent, meeting (June), \$5; Burnel Graham, supplies, P.V.S., \$5.30; E. S. Reddick, postage paid, \$4.08.

North York Registry Office, list of sales, \$3.95; Wm. Davis, constable's service and mileage, \$17.50; The Banner Press, advertising, \$6.30; J. A. Farquhar, constable's service and mileage, \$20.80; Arthur Wellesley, weed inspections, \$29.92; Arthur Wellesley, school attendance, \$10; Chas. H. Ross, tax arrears, \$6.60; W. W. Gardhouse, treasurer, county of York, May hospitalization, \$186.37; Road voucher, \$7,588.03; relief voucher, \$28.45.

The following resolution was passed by the council: "Whereas the wolves are causing a great deal of damage to the sheep and poultry flocks in the township of King;

"And whereas it is deemed advisable in the interest of the ratepayers to pay a bounty for the destruction of the wolves.

"Therefore be it resolved that upon satisfactory evidence being produced and upon the proper declaration of the person claiming the bounty, the council will pay a bounty of \$5 for each wolf destroyed, the payment of this bounty being retro-active to April 1, 1946."

The treasurer was authorized to issue a cheque to the following for the amount set opposite their respective name for loss of sheep worried by dogs: Morley Stewart, \$10; Gordon Bond, \$20; John Papesh, \$42; Roy Sharpe, \$60; Irving Staley, \$52.

Nelson Wauchope and Chas. Walton were paid \$2 and Ross Black \$10 for their services as valuers.

George Rumble, Jesse Richards and W. A. Carson were paid \$2 for their services as fenceviewers, the award filed with respect to the line fence between lot 18 in the 4th con.

Council moved that in cases where an owner of lands adjacent to a highway in the township of King, under jurisdiction

of the township of King, desires that an entrance be constructed from the highway to his lands, upon written application by the owner and upon payment of the sum of \$1.50 per ft., the township will construct a culvert on the highway to provide such entrance, in such manner, of such a type and at such a place as in the discretion of the road superintendent of the township is suitable for such purpose.

Council moved that, whereas, under the provisions of the Planning and Development Act, municipalities are permitted, subject to the approval of the minister, to pass by-laws establishing areas or sections as planning areas, and whereas it is deemed advisable to establish that part of the township situated within and comprising the Holland Marsh Drainage Scheme, as a planning area, the clerk be directed to write the solicitor with respect to this matter.

The council has received notice that under the provision of the will of the late Thomas Foster, the income of certain monies have been set aside for the planting of trees and for beautifying arterial highways approaching the city of Toronto. The council or a committee appointed by the council and the road superintendent are desirous of meeting the York county engineer or some one from this department to inspect the roads and decide the most suitable places to have trees planted. The meeting adjourned to meet at the parish hall, Kettleby, on Saturday, Aug. 3, at 1 p.m. or at the call of the chair.

PINE ORCHARD

The Willing Workers met at the home of Mrs. George Wood and Mrs. A. Lloyd on Wednesday, July 10. The meeting opened with the president in the chair. After the business was discharged, the members completed a quilt.

A picnic lunch was served on the lawn and a social time enjoyed.

The first anniversary of the opening of the Union church was largely attended on Sunday, July 14. The pastor, Rev. N. Rowan, was in charge, assisted by Rev. R. R. McMath, who dedicated the honor roll.

Rev. J. A. Smith, St. Andrew's Presbyterian church, Newmarket, was the guest speaker. An anthem by the choir and a duet by Mr. and Mrs. A. M. Colville added to the service. The altar was beautifully decorated with summer flowers.

Mr. and Mrs. R. Allen visited relatives in Sutton on Sunday.

Mr. and Mrs. Ford Lehman and Beverley, King City, spent part of last week at the home of Mr. and Mrs. Howard Lehman.

MAPLE HILL

A splendid crowd attended the Sunday-school picnic at Mossington Park last Thursday.

Daily vacation Bible school will commence next Monday morning at 9.30 in Maple Hill Baptist church for one week. Children ranging in ages from four to 14 years are cordially invited to attend.

The tent services got off to a good start last Sunday. Rev. Roy Hisey, Fenelon Falls, will be the speaker next Sunday and on Monday, Wednesday, and Friday evenings.

Mr. and Mrs. Stan Hunt, Toronto, will provide the special music next Sunday.

Rev. John MacLeod, Hamilton, a former pastor of Maple Hill church, will be the speaker from July 29 to August 4.

If You Are
a No.1 Citizen
You will look after
No. 1...

THIS is not selfishness, but the realization that a community is no better, no sounder than its citizens. The welfare of our community—Canada—depends not alone on those charged with the government of the country, but on each of its citizens—12,000,000 strong.

Today, that welfare is menaced by the danger of inflation. Already, millions in lands devastated by war suffer misery because of it.

Inflation, to the citizen, means simply less and less value for his dollar... his living costs soar as free and careless spending drives up the price of goods still in short supply.

War always brings the threat of inflation in its wake... only the prudence of the people can keep it in check.

How? Mainly, by conservation... by buying only those goods which are in fair supply, and by saving money for the day when goods now in short supply will be readily available.

This helps to keep prices steady—to keep your dollar at its real worth. This means that, if you are a No. 1 citizen, you will rigidly avoid black market purchases and you will save money by

- building up your savings account;
- keeping up your insurance;
- buying Government bonds and War Savings Certificates;
- holding whatever of these securities you have bought.

This is conservation—the first requisite for personal security—the first attribute of good citizenship.

Chicken Slaughter House Protested By Ratepayers

Townships have no power to pass by-laws regulating riding schools in the municipality, but counties have such authority, solicitor J. D. Lucas reported to Whitechurch township council on Saturday.

The county of York passed such a by-law prohibiting the keeping of riding schools and livery barns unless a license is granted. When an application is received, the county clerk refers the matter to the municipality in which the school or livery is to be located. If the municipality does not object a license is issued, but the county authority acts according to the wishes of the municipality in the matter.

Heath Hamilton and Ivan Patenden have been duly sworn in as county constables, in pursuance of having been made township constables, and are now in a position to act in any part of the county.

Eric Craddock protested the establishment of a chicken killing place at the corner of Yonge

St. and Old Yonge St. and writes further, "I am a substantial ratepayer, and conclude you would be interested in my views."

Mr. Craddock said fumes from burning feathers were a serious interference with a house nearby.

It was stated that there is no by-law forbidding the establishment of such a premises, and that such places operate in towns, indicating that they can be conducted without annoyance to properties nearby.

If an offense is found it can be remedied through the board of health, in such cases, the reeve pointed out.

A mild smile passed over the faces of reeve and councillors when a similar protest was read by the clerk, from a second ratepayer, who was probably prompted to add his objection, when it was found that his taxes were less than \$2 a year. He did add, however, that he proposed to erect a house in due course.

Council agreed to pay township constables \$5 per month for use of cars until September 1. It was deemed a more satisfactory method of payment than making up a mileage account. Constable Hamilton was present and made the suggestion which council concurred in, and passed a resolution confirming the arrangement moved by Deputy-Reeve Logan and Councillor Fred Timbers.

James Prior, Strigley St., was compensated \$12 for one sheep killed by dogs or dog unknown.

A subdivision plan at Musselman's Lake was approved for E. Davies, who reported legal width of roads of 66 feet established. He will give an undertaking required by council to gravel the said road or roads under supervision of Road Superintendent Henry Widdifield.

The Sutton Rural Hydro, reported receipts of \$121 hydro arrears on lot 22, con. 5, recently purchased by the county of York for reforestation purposes.

Reeve L. P. Evans made fitting reference to the continued ill health of his predecessor in office, ex-Reeve George Leary, who has been confined to his home at Gormley for some weeks.

Deputy-Reeve Logan and Councillor L. J. Harper then moved the following which was unanimously carried: "That the clerk be instructed to write Mr. Leary expressing regret of the council because of the continued illness of a former colleague, and that our sincere wish is for his early recovery."

The county tax rate for Whitechurch is reduced by one and a quarter mills according to an intimation from the county clerk. The reduction \$3,269.66 is largely due to the reduction in school taxes for secondary education by reason of the government taking over a more liberal proportion of the cost.

Before council adjourned road accounts totalling \$3,995.50 and general accounts \$400, including \$40 to Aurora fire brigade for attending fire at Pelouquin's July 7, were approved for payment.

Due to the re-decoration of the Gospel church, the Sunday evening service this week and until Aug. 4 will be held in the tent at Longford Pegg's park. Sunday-school will be held as usual in the church at 2:30 p.m.

Rev. and Mrs. E. S. Kerr, Paul and Donna, spent Tuesday and part of Wednesday with Mr. Kerr's brother at Thurstonia Park, north of Lindsay.

There was a good attendance at the Gospel church last Sunday evening, and the special music by Bill Sherry, a Toronto Christian businessman, was much enjoyed. The minister's subject was "Where are the dead now?"

The W.M.S. of the Gospel church met last Friday evening and heard an interesting message by Mrs. Eby on China. There were 25 ladies present. Mrs. Geo. Allison, the president, was in charge.

Mr. and Mrs. Sid. Hogbin, Toronto, are holidaying with Mrs. Hogbin's parents, Mr. and Mrs. Fred Peagam.

Miss Bernice Coomer is gradually recovering from her recent accident.

The contract for re-decorating the Gospel church has been let to Herman Clement, a resident of the town.

The committee in charge of the national clothing collection reports that 1,000 lbs. have been collected in this community and that means more than half of what was given in the last collection, which was 1,769 lbs. This was a grand response and those responsible are grateful to all who made it a success.

The Mission Band of the United church recently held a picnic at Mrs. Bruce Rolling's cottage, Lake Simcoe, accompanied by their leaders, Mrs. W. H. Burgess and Mrs. B. Rolling, and had a pleasant afternoon.

Mr. and Mrs. Bruce Rolling and Mr. and Mrs. Carmen Rolling are at Mr. Lorne Clement's cottage near Penetang.

Mr. and Mrs. John Arnold, Ruddell, Sask., are visiting Mr. Arnold's sister, Mrs. W. D. Stokes.

Mr. C. A. French and his daughter-in-law, Mrs. Harry French, and Catherine, Ottawa, have been spending a week with Mrs. Harmon and Mrs. Shields.

Mrs. J. T. Crozier and Tommy, who have been holidaying with her parents, Mr. and Mrs. Steeper, returned to Montreal on Sunday.

Guy Williamson, Hugh Price and Horace Brown have a job with the civil service at Aurora. Mr. and Mrs. M. R. Summerfeldt and Mr. and Mrs. John Summerfeldt, Cannington, were guests at the home of Miss E. Leek on Sunday.

Mr. and Mrs. Reg Willbee and Mr. and Mrs. Howard Robertson spent the weekend with friends at Fort Erie and Buffalo.

Dr. and Mrs. Blair and children of Toronto spent the weekend at the home of Mr. and Mrs. Harold Kurtz.

Miss Theodora Harrison, Toronto, was in town over the weekend.

Mr. Robt. Harmon, Parry Sound, spent the weekend with his sister, Miss B. Harmon.

Misses G. Moore, Toronto, and M. Moore, Winnipeg, were weekend guests at the home of Mr. and Mrs. H. Pearson.

Mrs. Iva Thirsk, Toronto, was a weekend guest at the home of Mrs. H. Price.

Rev. Harold Wellwood, Toronto, will take the United church service on Sunday at Mount Albert and Hartman churches.

Jas. Sloss, who took over the butcher shop and locker system from H. Leadbetter, has sold to Martin Beck, Toronto, who takes possession this week.

Rev. and Mrs. W. H. Burgess left this week to spend their holidays at Burks Falls.

Gordon Burgess, Toronto, is preparing to move into the house on Mill St. being renovated by Howard Morton.

Mrs. Sloss and children are at a cottage at Lake Simcoe for July.

Mr. and Mrs. Don Currey, Toronto, were guests on Sunday at the home of their cousin, Mrs. Geo. Walsh, and Mr. Walsh.

The rain on Sunday cut short the service at the cemetery. A large crowd attended and were disappointed in not hearing Rev. A. E. Armstrong, D.D., of Toronto, who had just commenced his address and was unable to finish owing to the shower.

The Mount Albert Branch No. 382 of the Canadian Legion is holding a sports day in the park on civic holiday, Aug. 5, consisting of baseball tournament, mid-way, dancing, etc.

Branch No. 382, Canadian Legion, attended the decoration day services here. Sprays of cedar and poppies were placed on the nine graves of departed veterans by 1st Vice Pres. Alvin Dike and Sec. Geo. Calver. Sgt.-At-Arms Howard Morton was in charge of the parade.

A tennis tournament open to Mount Albert community will be held commencing August 6. Entries should be made to Mrs. J. Hammett or Miss Vi Oldham. Players may select their own partners. Entries close August 1.

A number of Mount Albert tennis players took part in a tournament at Newmarket on Wednesday, July 10.

The Mount Albert Concert Co. presented the program at the

Sandford garden party July 10. Keith Davis, Newmarket Tennis club, will be at Mount Albert to instruct in tennis Wednesday, July 24, in the evening. All those interested are asked to come to the park.

In Memoriam

Arnold—In fond and loving memory of a dear husband and father, Peter M. Arnold, who passed away July 19, 1945. He had a cheery smile, a pleasant way.

A helping hand to all he knew. He was so kind, so generous and true.

On earth he nobly did his best. Grant him, Jesus, heavenly rest. Lovingly remembered by wife and family.

Glover—In loving memory of a dear sister, Phyllis, who passed away suddenly July 21, 1945. Not just today but every day in silence we remember.

Sadly missed by sister, Mabel, brother-in-law, Gordon, and niece, Madeline.

Glover—In loving memory of our darling sister, Phyllis, who passed away July 21, 1945. Many a lonely heartache.

Often a silent tear. Always some beautiful memory of a sister we loved so dear. Too dearly loved to ever be forgotten. Wes and Clara.

AURORA COUPLE WED

An interesting June wedding was that of Mr. and Mrs. Francis Cook, Aurora, who are pictured above. The groom is the son of Deputy-Reeve A. A. Cook, Aurora, and the bride is the former Audrey Manning, Aurora. Photo by Barrager.

TAKE VOWS AT CHURCH WEDDING

A pretty wedding took place on Friday evening at St. Andrew's Presbyterian church when the bride and groom, Mr. and Mrs. M. C. Cook, Aurora, were united in marriage. The bride, Mrs. Audrey Manning, was the daughter of Mr. and Mrs. M. C. Cook, Aurora. The ceremony was performed by Rev. S. W. Hirtle. Miss Marjorie Andrews presided at the organ. During the signing of the register, Mrs. Annie Williamson sang "O Promise Me."

Given in marriage by her mother, the bride looked lovely in a white gown with a full-length veil held in place by pearl clips. Her flowers were American Beauty roses and she wore a pearl necklace and gold wrist watch, the gift of the groom. The bride's maid, Mrs. C. W. Cook, was bridesmaid. She had chosen a floor-length gown of blue brocade organza with chapel veil. She carried a bouquet of tea roses and fern. Mr. Graydon Rogers, Aurora, ex-RCAF, was best man. Ushers for the wedding were Cpl. Sue Kalagian, C.W.A.C., and ex-LAW, Jessie Rogers.

Following the ceremony a reception was held at the home of the groom's parents, Mrs. C. W. Cook, Aurora. The bride received in a powder blue dress with a white collar and cuffs, and a corsage of red roses, while Mrs. McGhee wore a mauve suit with white accessories and a corsage of tea roses. There were guests from Saltcoats, Sask., Hamilton, Newmarket, Bradford, Toronto and Orangeville.

FINISH SCHEDULES

Aurora baseball squads will wind up their regular North York schedules by next Monday. Last night the bantams played at Milliken and they complete their schedule Monday at Richmond Hill. Tonight the juniors are at Markham and will finish their schedule. Both teams have reached the district playoffs. In addition, Aurora will carry the district banner in the west section in the O.B.A. midges play-offs.

BUYS BUSINESS

Dorland Barrager, R.C.A.F. veteran, a brother of Aurora photographer, Garnet Barrager, and a frequent visitor to Aurora, has purchased a cleaning and pressing business at Georgetown and has commenced business there.

CALLS ON FRIENDS

C. C. McDonald, Tillsonburg, who formerly practised law here, was in town on Tuesday en route to Port McNicoll. From Port McNicoll he sailed to Fort William where he is now practising law.

ATTEND CHURCH SERVICE

Members of L.O.L. #43 and Queen Mary L.O.B.A. journeyed to King on Sunday to attend the Orange church parade to All Saints' Anglican church. Rev. W. G. Worrall conducted the service.

CPL. GEORGE CASE RETURNS FROM U.K.

Cpl. George Case, son of Mrs. Clifford Case, arrived from overseas on Wednesday morning. Cpl. Case enlisted in Canadian Armored Corps in 1943 and went overseas in the following year. In England he was transferred to the treasury branch. While overseas he married. His wife expects to arrive in Canada in the early fall. It is believed that over 250 from Aurora who served overseas, only one now remains in England.

WITH THE CHURCHES

Clayton Bruce Anderson, infant son of Mr. and Mrs. Clayton Anderson, was christened by Rev. Roy F. Hicks on Sunday. Trinity Anglican church Sunday-school held its annual picnic on Wednesday afternoon at Muselman's Lake. Bethesda girls' choir provided special music at Aurora Gospel church on Sunday afternoon. In the evening, Arthur and Harold Martin provided special music, with electric guitars, musical saw, and harp.

NEGOTIATE WITH COMPANY FOR SECOND AGREEMENT

Local 27 of the National Union of Shoe and Leather Workers of the Collis Leather Company is now preparing to negotiate with the management of the company for their second agreement. The original agreement between the local and the company expired on June 30.

Points desired by the local include: increase in pay; a 45-hour, five-day work week; all statutory and proclaimed holidays with pay; two weeks' holidays with pay; a premium of five cents for night workers over day workers.

The management of the firm has agreed to negotiate with the local on the points in question.

LACROSSE FRIDAY

The Aurora midjets lacrosse team opens its season against Maple in the Aurora arena Friday. This marks the first time in 11 years that Aurora has been represented in lacrosse. Play starts at 8.30 p.m.

TAKE PART IN INDUCTION

Rev. Roy F. Hicks preached the sermon on Tuesday evening at Queen'sville United church when the new pastor, Rev. Albert Millen, formerly of Hawkestone, was inducted. Rev. E. C. Moddle, Aurora, gave the charge to the congregation and Rev. Gordon Lapp, Keswick, inducted the new pastor.

DEFEAT MARKHAM 6-2

Aurora juniors defeated Markham 6-2 on Tuesday night at Aurora. The visitors failed to arrive until 8 p.m. and then had to use three Aurora players to field a team. Jack Andrews went the route for Aurora and had things in hand all the way. Shpilman was on the mound for the Markies and fanned 13 batters. Unfortunately five of them got on the sacks as his catcher couldn't hold him. Aside from Shpilman's pitching, the visitors had little to offer and the local boys played under wraps.

U.S.A. On Spending Spree, Prices Soar, Says Mayor Linton

Mayor Ross Linton returned home this week after spending his holidays in Cape Cod, and told him he was getting \$85 a week. Money seemed plentiful, Mr. Linton said, and everybody was on a spending spree. Tires were practically non-existent, but there seemed a good supply of inner tubes on hand. As yet the fact that the Canadian dollar is on a par with United States currency doesn't seem to be known to the average dealer in the States, who still expects his premium for cashing Canadian dollars.

During their visit, the party journeyed to Hartford, Connecticut, where Mayor Linton had an opportunity of visiting the parent plant of the Hart Manufacturing Company (Canada), which is located there. He was much impressed with the plant, which was modern and clean and in which close to 300 employees enjoyed the best working conditions possible in the three-story building, Mr. Linton stated.

"The Hart officials are enthused about locating in Aurora, and the cleanliness of the town, plus all the conveniences and location, were important factors in their locating here," Mr. Linton stated. "I met Mr. Elmer, who will be the Canadian manager, and he feels Aurora is an ideal town. They are anxious to get the work started, and the plans they have in mind should give Aurora another leading industry."

PRODUCE TOP GAME WITH NO-SCORE TIE

Aurora and Langstaff softballers produced the top game of the North Yonge circuit for the year at Langstaff on Monday night as they battled to a no-score seven inning tie and pitcher Bill Bowen, Langstaff, set down the Aurora team with no hits. Bowen, who performs in senior B in Toronto, in obtaining his no-hitter, fanned 15 Aurora batters, didn't give a walk and only one Aurora batter got on base, Ed Tidman going as far as second on an error.

Tidman on the mound for Aurora was at top form, too. He yielded but two hits, fanned 11 and gave one walk. Three Aurora errors allowed Langstaff to get six men on bases altogether. Tidman was especially hot in the pinches and his mates rallied at the crucial moments.

Red Canning made a sensational play in the last of the seventh to save the game, pulling off a fine catch and pegging out what would have proved to be the winning run, with a throw to the plate to end the game.

Will White, Ace Yake and Charlie Case turned in good fielding games for Aurora. Charles, W. Bowen and Reid all aided Bowen with their fine work.

The game, will likely be replayed at a later date.

CECIL WALKER DIES, RESULT OF ACCIDENT

Cecil Walker, King twp., died at York County hospital on Sunday as a result of injuries received when struck by a motor car driven by Roy Anderson, Eversley, on Thursday evening near the close of the street dance sponsored by the Lake Marie Athletic Association.

Mr. Walker had been working with the association members during the dance and had gone to his home. He was returning to the dance in company with Harry Edwards when the accident occurred, the tragedy bringing to a close the dance.

Mr. Walker, who was in his 56th year, was born near Teston, his parents being the late Mr. and Mrs. James Walker. He had resided in the King district most of his life and was employed by DeHaviland Aircraft during the war. He was engaged in the building business at the time of his death. He was a member of King United church and the funeral service was held at his late residence yesterday with Rev. W. Jenkinson and Rev. Douglas Davis of Stouffville in charge. Interment was at King cemetery.

He is survived by his widow, the former May Wilson, a daughter, Helen, and one son, Jack, who returned from overseas last February. Another son, Gordon, was killed overseas while serving with the R.C.A.F. A brother, Ross, resides at King and another brother, Alvin, at Kirkland Lake.

COUNCIL ITEMS

Mrs. J. W. Morton wrote council requesting permission to open a small store and refreshment stand on Connaught Ave. to serve that end of town. Council heard that district residents approved and that Mr. and Mrs. Morton later intended to build a store premises, meanwhile carrying on in a garage on the property. Council instructed the clerk to advise Mrs. Morton they had no by-laws prohibiting a store being opened and that as long as no petitions opposing were received from residents of the area there was nothing they could do in the matter. A business tax would, of course, result on the property.

A request by Mrs. Jean Rhoten for the extension of the Yonge St. trunk sewer was turned down. Town Foreman James Goulding pointed out that the Rhoten property could be served by lower entry than that desired, which was already provided, and that it would not be feasible to extend the system northward owing to the terrain.

William Garfat was granted water service outside the corporation limits for his new poultry-killing plant. The service is already in operation for residents of Old Yonge St. and the extra user would make no difference to the supply.

CLOSE WITH CONCERT

Trinity church summer vacation school will close on Friday, July 19, with a concert and demonstration of work in the Parish Hall at 3 p.m., to which the public is invited. Skits, marches, music, etc., are scheduled.

Mrs. M. V. Nicol is on holidays at Torrance, Muskoka. Members of Aurora Horticultural Society and friends enjoyed a visit to Mrs. Arthur Nicol's beautiful garden, Yonge St. north, on Wednesday evening.

Mr. and Mrs. E. H. Atkinson and Misses Mary and Muriel Atkinson, Hawaii, are visiting Mr. and Mrs. Samuel Atkinson.

Mr. and Mrs. Edward Cole spent Friday at Bolton visiting friends on the occasion of Mrs. E. Elliott's 90th birthday.

Members of the Friday Night Bridge club last week entertained at the home of Mrs. Walter Dunning in honor of a former member, Mrs. Albert Stewart, Timmins.

Miss Elinore Humphrys of the staff of Aurora public school is on holidays at Meaford.

Mrs. M. C. Zinkota, Saltcoats, Sask., has returned after spending a week with Mr. and Mrs. Ben Harrison and attending the wedding of her daughter to Mr. John McGhee.

Mr. and Mrs. Nel Anderson, Mrs. Ernie Graham and Lorne Graham are on a week's holidays at Parry Sound.

Mr. and Mrs. Sam Knowles, Montreal, Que., have been the guests this week of Mr. and Mrs. J. H. Knowles.

Mr. and Mrs. G. W. Poucher, Barrie, are visiting Mrs. Poucher's parents, Mr. and Mrs. Cecil Adair.

Horace King, Oakville, who has just received his discharge from the R.C.A.F. after being on service four years, has been visiting his grandfather, Mr. Alex. Hurst.

Mr. George D. Y. Leacock has returned home after visiting the Calgary Stampede.

UNABLE TO GET DUMP, COLLECTOR RESIGNS

Following word from William Harrison, the present garbage collector for the town, that he was unable to secure a dump which would be satisfactory to the municipality and accessible all the year, Aurora council on Monday accepted his resignation as of August 1. J. E. Buchanan, Aurora, who was the next lowest tenderer, was awarded the contract at a price of \$2,200, the same figure that was paid A. E. Hawkins, but \$100 in excess of Harrison's contract. Mr. Buchanan will commence his duties on August 1.

HOLD SPECIAL MEETING

Aurora town councillors will hold a special council meeting on Monday evening with Engineer W. B. Redfern, Toronto, in attendance when the contracts for the construction of new streets, the extension of water and sewage service will be awarded.

AURORA GIRLS' TEAM TAKES LEAGUE GAME

Displaying too much power at the plate and with Anne Schroeder tossing neat ball, Aurora ladies' softball club took their first game of the North York circuit 7-2 over Milliken in Scarborough township on Monday evening. Aurora was never in danger and Lucille Case, Ev Holman and Sue Kalagain turned in smart performances.

Aurora: Case, Schroeder, Campbell, Kalagain, Young, Rogers, Myke, Holman, Parkins.

IMPROVE PLANT

During the two weeks' holiday period the Sisman Shoe Company had the plant heating system changed, interior decorating done and some new flooring laid, to improve working conditions. The new heating system sees two unit heaters with hot air replacing the hundreds of feet of steam pipes. It is automatic, keeps the temperature even and practically gives air conditioning.

RUBBER STRIKE MAY AFFECT SISMAN PLANT

Just how closely and interdependent modern industry is today may soon be felt by a number of Aurora workers. The Sisman Shoe Company, according to a company official, is feeling the effects of the rubber workers' strike at the Goodyear Tire and Rubber Company plant, and the supply of rubber soles, which go into the making of the Sisman Scampers is running low, as well as the supply of rubber heels.

It may be possible to secure rubber heels elsewhere, although the rubber industry is badly affected, but the Scamper soles are under contract from Goodyear and cannot be secured elsewhere, it is stated.

Owing to war production in other years and the general difficulty in obtaining rubber, it is pointed out that no large surplus stocks of soles or heels have been created as in pre-war years and the present supply will be exhausted this month. Even if the rubber workers go back to work immediately it will take some weeks to create the necessary supply. The longer they remain out on strike the more aggravated the situation will become.

There are about 25 employees in the Scamper department at the Sisman plant who, it is presumed, would be affected this month by the rubber shortage, with possibly some from other departments. The company has adequate orders on hand and is making every effort to solve the problem.

Escape Serious Injury When Taxi Turns Over

Earl Scarlett, Aurora taxi driver, Allan Jones and Jack Banbury escaped serious injury about 5.30 Sunday morning when Mr. Scarlett's taxi on a return business trip from Wasaga Beach failed to negotiate a turn on the Bradford flats highway and crashed into the ditch, turning over several times. Mr. Scarlett, who returned from hospital on Tuesday, suffered several broken ribs, a sprained ankle, cuts and bruises. He had been working steadily since Saturday morning at the time of the accident.

Mr. Jones suffered rib injuries, cuts and bruises. Mr. Banbury suffered cuts and bruises. About \$500 damage was done to the taxi, a 1946 model. The trio were treated by Dr. Crawford Rose. The accident was investigated by Highway Traffic Officer William Melbourne.

ARRIVE FROM ENGLAND

Mrs. William Ground and six-months-old son, Kenneth, arrived here from England yesterday and are having a busy time meeting relatives and new friends. Mrs. Ground is the former Decima Gardner of South Harrow, London, Eng., and already has a high opinion of Canada. Her husband preceded her to Canada late in 1945 after serving overseas with the R.C.A.F.

Aurora Wins 4-3 In Sutton Exhibition Tilt

Aurora softballers took a 4-3 win over Sutton in an exhibition tilt in the northern village on Friday. Aurora garnered three runs in the first and another in the second. From there on Fairbairn, the home pitcher, kept things pretty well under control.

Ed Tidman worked for Aurora and yielded a run in the third, and two in the last of the seventh. Aurora just managed to hold off the final Sutton drive, a runner being on third and another on second as the third out came. Yake, McCarthy, Case and R. White all turned in fine games.

Dunn and Smith looked good for Sutton. A return game will be played.

Town Clerk Harold Clark was instructed to obtain prices for an auxiliary compressor for the town disposal plant on Monday night. Town Foreman James Goulding stated that the system had broken down last week for 12 hours and only the fact that a competent repair man and parts were obtained in record time prevented a serious situation arising.

Mr. Goulding pointed out that the present system was 15 years old and went at high speed while in operation. An auxiliary system would enable the plant to operate without any interruptions while machinery was being repaired.

The property committee was instructed to look over leakage in the roof at the old town hall and advise as to work and prices.

Marshall Willson Honored By Friends On Birthday

"If I had to live my life over again, I'd choose farming," Marshall Willson, well-known district farmer, told The Era and Express on the eve of his 80th birthday. "My advice to young farmers is to stick to the farm, keep up with improvements in cultivation, breeding and implements. The farm is the best place to raise a family, and the farmer has more real security than any other class of people. The work is pretty hard, but if you're going to make a success of any business it requires hard work. The farm home of today is not far behind that of the town people, and in a few years when supplies are better they will compare with the best in town. Improved living conditions and better equipment will do much to keep the young people on the farm. It's the only job for the young man who isn't afraid of work."

On Tuesday of this week "Marsh," as he is known to hundreds of persons in the district, became a nonagenarian, and many friends came to pay their respects. His three children and ten grandchildren were all on hand and presented him with a new radio.

Born in Innisfil township near Churchill, he moved to just outside Aurora with his parents, Mr. and Mrs. Wellington Willson, 67 years ago. He has resided on the same farm ever since. His father lived to the age of 94 and his mother to the age of 86. Outside of "early to bed and early to rise" and no over-eating, Mr. Willson has no theory for longevity. For six years he served as school trustee, and he has been an official of St. Andrew's Presbyterian church for many years.

Always interested in horses and a prominent breeder of light draught horses for many years, he was one of the founders of the Aurora Horse Show and has been actively connected with the show every year since it began. Ten years ago on the occasion of his 80th birthday, members of the Aurora Horse Show tendered him a birthday party and presented him with a cane. On Monday, close to 100 members of the Horse Show and representative citizens from all walks of life gathered at the farm of John Bowser to honor Mr. Willson.

President Elton Armstrong acted as chairman and vice-president Alex. McClelland read a congratulatory address. On behalf of the society, Walter Wood presented Mr. Willson with a new silver band for his cane, engraved to commemorate the event. Obviously moved by the tribute, "Marsh" thanked his friends "from the bottom of the heart."

Other addresses were given by Mayor Ross Linton, Aurora, Reeve Lorne Evans, Whitechurch, Deputy-Reeve Joseph Spilletie, Newmarket, and G. D. Y. Leacock.

Miss Beth Smith, Scottish dancer, and piper Dave Douglas, Toronto, entertained the gathering. A buffet supper followed. A huge cake, complete with 80 candles, was prepared for the occasion, and Mr. Willson cut the first piece. On behalf of those assembled, P. M. Thompson of Aurora moved a vote of thanks to Mr. and Mrs. Bowser for their hospitality. Mr. Bowser replied suitably.

not been able to click on dates and in the meantime, he's been trying to get a game with Beeton juveniles. This year, there's a four-club juvenile circuit providing hardball for the kids at Alliston, Creemore, Beeton and Horning's Mills. The Alliston kids are out in front and are undefeated and they might give the Haskett clan a good game, though truth to tell, outside of the cities, there are not many baseball leagues capable of holding their own with the calibre of minor ball being provided by the North York Lions league.

Bob Benville will take to the cycling wars again come Saturday as he rides in the bike races at the Toronto police games and, incidentally, catches an eyeful of feminine pulchritude. Robert is very enthusiastic about the performances of Orla Larsen, Ted Russell and Barney Westcott, three young riders of the Newmarket club, who are showing quite a bit of form. The 18-year-old Larsen is a brother of the late Gert Larsen who was a promising rider before the war, and he will likely accompany Bob to Woodbine Park as well as to other races.

The 14-year-old Russell hails from Sharon and gets in more practice than any of the lads. Westcott, at 17, can soon develop into a smart performer. Competition is what all the lads need to bring out their best.

Orilla can take a bow for its enterprise. Along with Meaford, it now boasts flood-light softball. The lights were turned on officially at the Orilla bowl last week and from now on daylight and fall play-offs, the competition of gardening and daylight motoring will be gone. Doug Smith, former Aurora boy, was on hand to take part in the ceremony as representative of the O.A.S.A. Doug will likely be seen in these parts as the Yonge St. district comes in the area of

which he is officially in charge. Johnny Frew, former Marlboro hockeyist who played briefly for Newmarket camp, is now "Mine Host" at Horneville, Orchard Beach. John knows the hotel and restaurant business well and has been enjoying a good year, married, however, by a poor season of dancing and one of those contracts the union musicians insist upon which doesn't give the guy who pays much, leeway.

Bill Thoms is back at Eaton's again with home furnishings and is doing a spot of mushball in the Eaton house-league, which is fairly smart ball at that. He recently bashed a homer to pull a game out of the fire.

Ed Young, who played defence for Brampton camp and Canadian Armed Corps and last winter with Hamilton Pats, is on the list of players to be given a trial by the Toronto Leafs in the fall, according to recent announcements. Ed is one of our friends and a swell fellow but we figure he's past his peak and definitely not of pro calibre. We hope this isn't an example of so-called Leaf strategy.

Everybody got a big kick the other night to see the luckless Newmarket midgets finally end the season with a win over Milliken mites 10-9. The canaltown youngsters have been the doormat for the rest of the league all season and have taken some terrific shellackings as well as quite a bit of kidding around the hub of North York. They kept on plugging, however, and by the end of the regular route, were greatly improved. Jack Donaldson, the 14-year-old catcher who goes under the moniker of "Shanty", did a fair job behind the bat all season but he needs more drive if he expects to get any place. He has the size for the job and another year should be greatly improved.

Don Duncan and Dan Bovair handled the pitching chores over the year and showed promise in their first year. "Red" was handicapped by an injury received during the winter. "Chesley", son of Lou Bovair, once one of canaltown's outstanding hockeyists and who used to play ball for Office Specialty, is a good hitter aside from speed on the hilltop. Don Gibson, at first base, did right well over the year and looks like a comer. Father Eddie has reason to be proud of his athletic sons. Red Wilkins has the makings of a good all-round ball player but he'll have to learn to get around as fast as his dad if he wants to go places. Clarence DeLaHaye, although he didn't turn out regularly, showed enough to impress the critics in the field and at the plate. "Holtz" can be marked down on the future list. Just about forgot to get a plug in for Laurie Thoms, who plays a bang-up game at the keystone sack. Young Thoms is a nifty on the ice, too, and in a few years, if he keeps improving, he won't have to take a back seat to any members of the Thoms tribe. There were other peewees who showed talent, but we can't name them all and those we've mentioned were the outstanding performers.

Eager to make a better showing next year, in fact certain they will do so, the Newmarket kids will have a chance to play bantam ball the rest of the summer with four teams functioning. It's a good idea and we are glad to see the start from the bottom of the ladder. It has paid dividends in Aurora and Newmarket, always a good baseball town, can look to the future with the assurance that the old days will be surpassed.

Dick Mather, Newmarket recreational co-ordinator, was the only student in the district at the Red Cross swimming and water safety school at Barrie to qualify as a full-fledged instructor. Four other Newmarket residents earned the rating of provisional instructors. They were Audrey Rowland, Jean Neufeldt, A. G. Smith and E. B. Westcott. Nice work gang.

Mrs. M. D. Schmidt, Richmond Hill, has been displaying some high class golf at the Highlands Golf club this summer and right now is probably the best player among the femmes at the Aurora club. From the scores being posted and the fact that the course still remains in good shape and hasn't required much attention following ladies' day, there's no doubt that the girls are improving.

Victoria Square has blossomed forth with its own bowling club this year. While on the subject of bowling, old man Job never had more woe than the fellows at the Aurora Bowling club have had this year. The main troubles are over now and they expect to stage one or two tournaments before the season ends. The Aurora club is badly in need of a blood transfusion to keep it alive and if bowls were more plentiful and they applied the heat, many new members could doubtless be obtained. According to J. C. Burns, Markham, Ontario Lawn Bowling president, there will shortly be plenty of new bowls on the market at reasonable rates, which should be good news.

Herb Cala had a real gabfest and a real session of golf over the weekend. Herb had as a weekend guest his old pal, Jack Shewchuk, ex-Boston Bruins and one of the game's best known defencemen. Herb introduced Jack, who had come down from Brantford to the Highlands course and was playing the

WED AT ST. PAUL'S CHURCH

St. Paul's Anglican church was the setting for the wedding on June 29 of Patricia Olga Beaudoin, daughter of Mr. and Mrs. Norman Beaudoin, Newmarket, and Edward Albert Dury, son of Mr. and Mrs. Allan Dury, Toronto. Pictured above, from left to right, are: Miss Alberta Dury, sister of the groom, bridesmaid, Mr. Leonard Bone, an usher, Miss Jacqueline Beaudoin, sister of the bride, maid of honor, the bride and groom, Mr. Harold Matthews, best man, Miss Ruth Turan, also a bridesmaid, and Mr. Charles Lloyd, an usher. COUPLE WILL MAKE HOME AT MARKHAM

Rev. J. T. Caswell officiated at the marriage of Elma Doreen, daughter of Mr. and Mrs. G. Wilmer Keyes, Wolfe Island, and Ivan Lorne Crowder, son of Mr. and Mrs. Gordon Crowder, Stouffville, which took place in the living-room at the Y.W.C.A. at 3 o'clock Saturday afternoon, June 29. The wedding march from Lohengrin was played by Miss Mary Alice Murray and Miss Jean Wemp sang, O Perfect Love and Bless This House, during the signing of the register.

The bride, given in marriage by her father, was charming in her wedding gown of white jersey and net over taffeta. The molded jersey bodice had a sweetheart neckline, short sleeves and bouffant skirt. She wore white gloves and a fingertip veil caught to her headpiece with orange blossoms. Her bouquet was of red roses and cornflowers.

Miss Mildred Boyd, Wolfe Island, bridesmaid, wore a floor-length model of sky blue organza, flower-sprigged in pink, fashioned with short puffed sleeves, square neckline and full skirt. She wore a matching headpiece and carried a bouquet of pink roses and cornflowers. Four-year-old Dorothy Davis, niece of the groom, was flower girl in a smocked frock of pale pink and matching hair ribbon. She carried an old-fashioned nosegay of pink roses and pink and blue cornflowers. Mr. Bruce Crowder, brother of the groom, was best man.

The bride's mother received at the reception, which was held in the lounge at the Y.W.C.A., attired in a gown of navy blue crepe with matching accessories. The groom's mother received in an ensemble of navy and white sheer with white accessories. Both ladies wore corsages of red roses. Mrs. Maria Keyes, grandmother of the bride, poured tea and the young ladies who assisted in serving were the Misses Betty Hansen, Winnifred Keyes, Inda Keyes and Gwen Wilson.

The bride presented her bouquet to her mother, since June 29 was the date of the silver anniversary of the marriage of the bride's parents.

The newly married couple left on a wedding trip by motor to points west. The bride chose a brown and yellow flowered frock, summer white accessories and a shoulder knot of yellow gladioli for travelling. On their return the couple will reside at Markham.

Aurora layout for the first time, Jack blasted around in 74 and that included three strokes for penalties. He was much impressed with the Aurora course. On Sunday Shewchuk, who expects to play for St. Louis next winter, played with Herb and Larry Molyneux and partner at Summit and Jack posted a 78 to top the foursome. Larry, incidentally, performed in the Ontario Open at Burlington but didn't reach the low brackets. Herb posted an 81 on the Aurora course and was just under the 90 mark at Summit. Shewchuk, according to Herb, would be one of Ontario's best amateurs if he took the game seriously.

On Saturday night, just to add variety, Gus Marker, maestro of the Tulsa Oilers and ex-Leafs and Montreal Maroons performer, dropped in to say hello and the boys got into a regular hot-stove league ball session with the result that Marker stayed all night but couldn't be persuaded to enter the golf session on Sunday. Gus is looking for a left winger for the Oilers. He is proud of Scotty Maier, whom he may lose to higher company.

Ring dem bells for Don Smith, Newmarket all-round athlete and son of Stan Smith, who returns from overseas today and will shortly receive his discharge from the R.C.A.F.

TRAVEL TO U.S.A. FOR HONEYMOON

The wedding was solemnized at the bride's home by Rev. M. F. Bamford on June 15 of Erma Cain, daughter of Mr. and Mrs. Thomas Cain, Zephyr, and Robert Bruce Lockie, son of Mrs. A. B. Lockie and the late Mr. Lockie.

The bride wore a street-length dress of white jersey with matching hat and a corsage of pink roses.

Mr. Wilfred Curl was best man. The bride's attendant was Miss Daisy Graham who wore a powder blue crepe dress and deep pink roses.

The reception was held at the home of the bride's parents, the bride's mother receiving in a figured jersey dress and shoulder corsage of tea roses. The groom's mother assisted, wearing navy with white accessories and a corsage of pink carnations. For travelling the bride donned a powder blue suit with brown accessories. The happy couple left for a trip to New York and Washington, and they will later reside in Zephyr.

ST. PAUL'S CHAPEL WEDDING SETTING

A quiet wedding was solemnized in St. Paul's chapel, Newmarket, Friday night, June 28, by Rev. G. A. Stone when Joyce Helen Irwin, daughter of Mr. and Mrs. Roy Irwin, Newmarket, was married to Robert William Black, son of Mrs. Black, Lakeview, and the late Mr. Black.

The bride wore a pink sheer dress with a pink hat and white accessories with a corsage of Joanna Hill roses.

The bride's cousin, Miss Margaret McDonald, Toronto, was matron of honor. The best man was Mr. Ernie Hollaway, Toronto.

A reception was held at the home of Mr. and Mrs. Roy Irwin. The couple left for a trip to Preston. They will reside in Lakeview.

JEAN HILL IS WED IN TORONTO

A pretty wedding was solemnized at Kingsway Lambton United Church, Toronto, on June 29, against a background of white peonies, when Dorothy Jean Hill, daughter of Mr. and Mrs. W. R. Hill, Sutton West, was united in marriage to James Liggatt, Jr., son of Mr. and Mrs. Jas. Liggatt, Toronto. Mr. Gerald Rutledge was organist and Mr. Murray Huntley was the soloist. Rev. Geo. Barker, D.D., officiated.

Given in marriage by her father, the bride was becomingly attired in a street-length white French crepe dress with white picture hat and accessories. She carried a white prayer book with streamers and gardenias.

Mrs. Harry Toombs, sister of the bride, was matron of honor and wore turquoise French crepe with white picture hat and accessories. She carried a nosegay of sunset roses and gladioli. Mr. Jas. (Garden) was best man and the ushers were Mr. Wm. R. Hill, Jr., brother of the bride, and Mr. Reg. Cavell.

The reception was held at the home of the bride's uncle, Mr. A. R. MacKenzie, and Mrs. MacKenzie, 132 Kingsway, Toronto. The bride's mother received in a fern green and white printed sheer redingote with pink flower hat and corsage of pink carnations and bouvardia. She was assisted by the groom's mother, who wore black and white printed jersey with a black and white leghorn hat and black accessories and a corsage of American Beauty roses.

PAT BEAUDOIN IS LOVELY JUNE BRIDE

St. Paul's Anglican church, Newmarket, was the setting for the wedding on June 29 of Patricia Olga Beaudoin, daughter of Mr. and Mrs. Norman Beaudoin, Newmarket, and Edward Albert Dury, son of Mr. and Mrs. Allan Dury, Toronto. Mrs. J. O. Little was at the organ. Rev. G. A. Stone performed the ceremony against a background of pink and white peonies.

Given in marriage by her father, the bride looked lovely in a gown of white taffeta with net yoke and scalloped off-the-shoulder effect, full skirt fashioned with bustle effect, with white net sweetheart headpiece and trailing veil. She carried a bouquet of red roses.

Miss Alberta Dury, sister of the groom, and Miss Ruth Turan were bridesmaids and wore blue net over taffeta with nosegays of pink roses and blue cornflowers. Miss Jacqueline Beaudoin, sister of the bride, was maid of honor and wore blue satin and sheer and carried a nosegay of pink roses and blue cornflowers. Dana Lowcock, cousin of the bride, was flower girl and was dressed in pink net over taffeta and carried a nosegay of pink roses and blue cornflowers.

Mr. Harold Matthews was best man and Mr. Leonard Bone and Mr. Charles Lloyd acted as ushers.

At the reception which followed in the parish hall, Mrs. Beaudoin received wearing a pink crepe dress with white accessories and a corsage of deep pink roses. She was assisted by the groom's mother, who wore blue printed silk jersey with navy accessories and a corsage of pink roses.

For travelling the bride donned a pale blue crepe frock with navy accessories. Following a honeymoon spent at Al-Do Lodge, the couple will make their home in Newmarket.

'LIFE'S BIGGER MOMENTS'

Hanging out 'the shingle'

It happens every day, thank goodness... some young man starts out in a business of his own. Hanging out the first "Open Business" sign is a Big Moment... a time when a man needs and deserves the help of all his friends.

It's a time for sound thinking and years-ahead planning... a time when your North American Life representative can be a big help. The way he likes doing business is to help an ambitious young man line up a practical savings-protection programme... and watch both the young man and the programme grow and grow as the years roll successfully by.

You'll find your North American Life representative a source of help and advice when you're starting a business, getting married, taking over a home... or doing any one of "Life's Bigger Moments".

Baptist Church Holds Sunday-School Picnic

The Sunday-school picnic of the Queensville Baptist church was held last Friday afternoon at Mossington Park. Many enjoyed swimming in the lake, after which the races were run. Prizes were won by the following: boys and girls, 1 to 4 years, Cecil Fairbairn, Kenneth Rogers, Jr.; Boys 5 to 8, Alan Clayton, Robert Berger; Girls 5 to 8, Janie Roberts, Shirley Blanchard; Girls 11 to 14, Shirley Knights, Orlene Rogers. Ladies' 50-yard dash, Mrs. Hough, Miss Ruth Rogers. Men's 100-yard dash, Harold Rogers, Reg. Smith. Boys' shoe race, Alan Clayton, Harold Rogers, Jr. Girls' three-legged race, Ruth Rogers and Mrs. Fairbairn, Jr. Men's biscuit eating contest, Leonard Wellman, Bill Smith. Ladies' peanut race, Mrs. Forbes, Barbara Deer. Mixed couples' pie plate race, Ruth and Ken Rogers. At the conclusion of the races a peanut scramble was entered into by all, then a hearty picnic supper was served. Before leaving for home a game of ball was played by the young people. A great deal of interest has been created in the district among the boys and girls by Daily Vacation Bible School in the Queensville Baptist church. Miss Barbara Deer and the Misses Ruth and Marion Rogers, all of Toronto Bible College, are in charge of the school, which started Monday morning and will continue for two weeks. The older children will be making babies' dresses and night dresses to send to France and the smaller ones will be occupied, during the work period, with drawing and handicraft. An interesting flannelgraph talk is given each day and a lively sing-song forms another part of the program. This school is for all the boys and girls in the community.

PROPERTY CHANGES UP

R. L. Boag of the North York Registry Office at Newmarket stated this week that property changes had doubled within the past year. Mr. Boag said it was to be expected due to the increased population, for instance, a great number of war brides are arriving in this country which means that many new homes are needed.

WAR BRIDE, HUSBAND SHOWERED BY FRIENDS

Mr. and Mrs. Thos. Pell, Toronto, have been holidaying for the past two weeks with Miss Hazel Webb.

Mrs. Farren, Sr., and her granddaughter, Marie Cunningham, spent a recent weekend at Orillia with Mr. and Mrs. Russell Farren and family.

Mrs. Ed. Reddick is at Stayner with her mother, Mrs. Morrison, who is ill.

Mr. Keith Smith, Willowdale, is spending his holidays with Mr. and Mrs. Bert Smith.

Mrs. Mary Cunningham, Weston, spent the weekend with her mother, and her daughter and son.

About 60 people from this community gathered at the home of Mrs. Harry Mills on Monday evening and enjoyed a lawn party in the form of a miscellaneous shower for a Scottish war bride, Betty Davidson Little, from Ayrshire, Scotland, and her husband, C. P. Little. They were married last September and Mr. Little returned to Canada with his unit in October.

Mrs. Little sailed on the Aquitania and arrived in Toronto on July 1.

After lawn games were enjoyed, Thos. Pell called the group to order and in a few well chosen words explained the customary welcome and shower.

The bride and groom were seated under the lights and Miss Sheila Davison and Master Billy Woods carried the lovely decorated basket of gifts while the friends sang "They are jolly good fellows." They were taken by surprise, yet feelingly extended their thanks to all.

A bountiful lunch followed and a social evening came to a close with best wishes to the couple for a happy life in Canada.

PLEASANTVILLE

There was a large attendance at the dedication service of the honor roll at Pine Orchard Union church on Sunday afternoon. Rev. Norman Rowan, Rev. R. R. McMath and Rev. J. A. Smith were present. Those on the roll included Cpl. Orley McClure, Tpr. Art. Sheridan, Dvr. Doug. Sheridan, Sgt.-Pilot Douglas Hope, Able Seaman Herb Reid, Pte. Ed. Willis, Francis Starr of the Friends Ambulance Service, and Leonard Wagg, killed overseas.

The Willing Workers met last Wednesday at the home of Mrs. Geo. Wood and Mrs. Lloyd. After the business section of the meeting, a quilt was completed and a picnic lunch was enjoyed.

Mr. and Mrs. A. M. Colville had Sunday tea with Mr. and Mrs. A. Neidler.

Miss Betty Beckett, Toronto, spent the weekend at the home of Mrs. G. McClure.

Major Alex. McKenzie, M.P.P., Woodbridge, was a Sunday tea guest at Mr. Earl Toole's home.

Mrs. Elmer Starr is ill in York County hospital.

Guests for Sunday tea at the home of Mrs. G. McClure, all of whom attended Pine Orchard church service, included Mr. and Mrs. Arthur Sheridan and two children, Newmarket, Mr. Harley Collingwood, Armitage, and Miss B. Beckett, Toronto.

Mr. and Mrs. Donald Petch and Phyllis, Markdale, were weekend guests at the home of Mr. and Mrs. John McClure and had Sunday dinner at the home of Mr. Howard McClure.

Mrs. Hulda Stanley of Columbiana, Ohio, is spending some time with her parents, Mr. and Mrs. Elmer Starr.

Mr. and Mrs. Douglas Sheridan and little Jeanne spent Sunday at Mr. and Mrs. M. Sheridan's.

News On Recreation

By Dick Mather,
Recreation Co-ordinator
Office: Fire Hall, Phone 695,
Hours 3.30-5.30.

Swimming classes are turning out fairly well but there is still a lot of children who have not shown up. We have chartered a Gray Coach bus and it must run regardless of the number who appear. Approximately 400 have indicated their desire to take advantage of this swimming instruction and at the moment we are having 50 percent attendance. We have told the children however that they may come down at any time and if there is room we will take them; many thus have been able to have three or four trips a week. But this is not the most effective way of running a program and we would like to see more kids taking part. If parents have any questions I would be glad to talk it over with them; and if any of them would like to go down to Wilcox and see the program we will be glad to take them down as guests.

There is one slight change in the schedule: B class will go on Thursdays at 9.20 a.m.; E class will go Tuesdays at 10.20 a.m.

Several young people have got together and formed a swimming club. Plans are to go out to Glenville pond, first trip Friday at 5.30 at the bus station. The recreation council is providing an instructor and the only charge will be that for transportation.

Play lots. New sand boxes are being placed at the Alexander Muir school grounds and at the King George school. The recreation council will be glad to provide part-time supervisors if enough parents are interested. These boxes are for the younger children: seven years and under.

Track and field. Milt Wallace has several young men working up at Pickering College on Monday and Wednesday evenings. He will be glad to see others. Milt will be going down to Toronto for the police games this Saturday and has some extra application and entry forms if others are interested.

The cycling club held a successful Monday evening session of races. The Toronto Police Games are holding two open cycling races this Saturday. Entry forms can be had at my office.

Baseball and softball meetings to discuss further the town league for 15-year-olds and under will be held this Thursday evening at the fire hall, softball at 7 p.m. and baseball after the junior game with Milliken has been won.

Horse shoes. Several adults have expressed a desire to get a horse-shoe league going. The recreation council will be glad to provide any help it can. We have permission from the school board to put pits up on the school grounds. Meet with me on Monday, at 5.45 p.m. at the fire hall to arrange plans, and possible leagues.

KESWICK

Master Billy Whitty, Pittsburg, Pa., is visiting Mr. and Mrs. Geo. White.

Misses Lillian and Patti Connell have returned to their work in Toronto after a holiday at home. During their holiday they accompanied their parents, Mr. and Mrs. M. W. Connell, on a motor trip to Muskoka and Georgian Bay.

Miss Evangeline Chapman, Toronto and Keswick Beach, will be soloist at the United church Sunday morning, July 21. The minister's sermon subject will be Baseball and Life.

After three Sunday evenings at the beaches and before the same schedule is repeated at Pine, Indianola and Elmhurst Beaches, evening service will be held in the United church at 8.
